

Corbett Wins, 3-1; Molalla, Dallas On Sandy Slate

SANDY—The error bedeviled Sandy nine expects to recover from an unearned defeat at the hands of tiny Corbett this week and faces Molalla and Dallas in two home games.

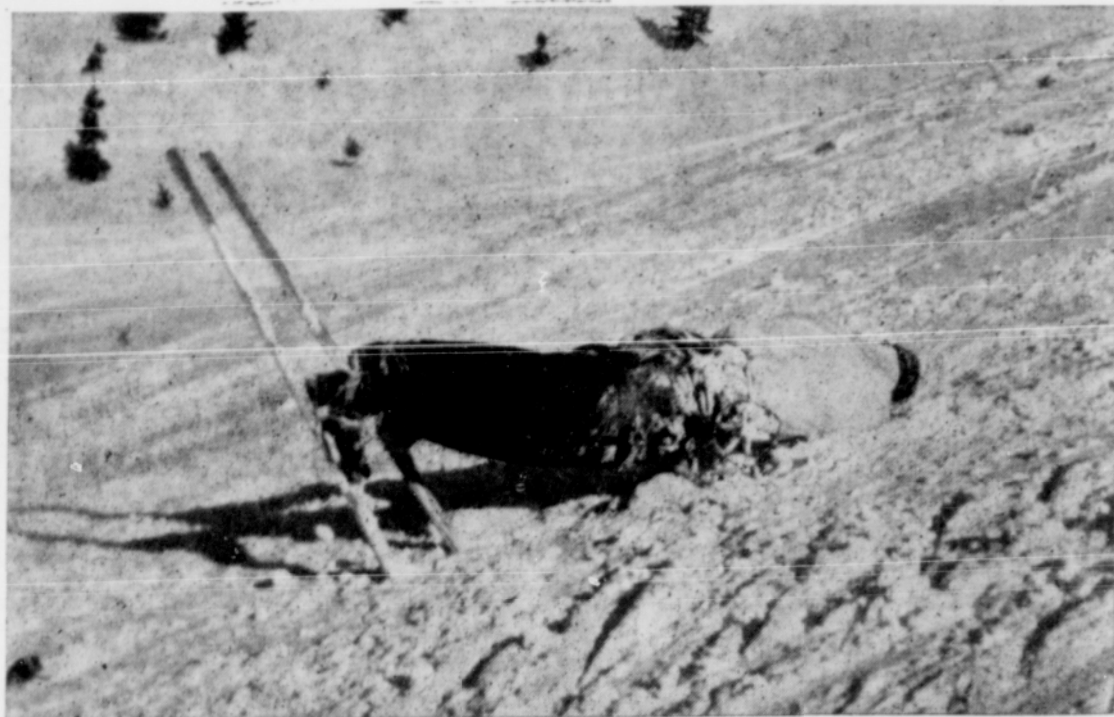

Sandy varsity, for the second time in the season played good baseball at Corbett, but let the game out of the bag through errors. Pitching for Sandy against Corbett was Tom Gamble and Gary Skala caught.

The loss to Corbett was the second Sandy has suffered in 56 games, according to W. E. (Pop) Rannow, Sandy high baseball coach.

Rannow said he expects a better showing at Molalla because shortstop Bob Leachman, one of the best hitters on the squad will be in the game. Rannow said the Sandy squad is as strong as it was last year and explained during the past four years the Sandy team has been in the top two positions in the Willamette Valley League.

The Molalla game is Friday, April 15 and the Dallas game is Tuesday, April 18—both at Sandy.

Whoops ---

GOVERNMENT CAMP—You might call this one an embarrassing moment. Edward (Ted) Little, bookkeeper at Olaf M. Oja Lumber company was attempting to take a turn in the soft snow at Tom, Dick and Harry Ski Bowl recently and this is the results. What's even more em-

barrassing, Little is a 1950 graduate of the University of Portland where he was a member of the university ski team for three years. The picture was taken by Eugene Goodrick, Portland, a friend of Little's.

Boys League Officers Voted

SANDY—The Sandy boys baseball league organized itself into an operating unit for the next summer during a meeting held in the Sandy grade school Monday night.

Nef officers are Mrs. Rubin Hoffman, president; L. H. Will, vice-president; Spike Emerson, secretary; and Clifford E. Sandstrom, treasurer.

The election of new officers for the coming year highlighted the meeting after Mrs. Hoffman made a financial report on the last year's activities. Mrs. Hoffman was also president of the League last year.

The league will be organized much like it was last year. The boys will play in three different divisions. The midjets take boys from 7 to 11; the pee wees from 12 to 13 and cubs from 14 to 15 and the giants for the older boys.

Mrs. Hoffman said, although there is only \$10.18 in the treasury, the teams are well-equipped in suits and equipment. During the meeting Spike Emerson told of a recreation program held in Corbett which was originally financed by a tax levy through the school budgets and

later was self-supporting. The program, according to Emerson, should not only concern itself with baseball, but should also take in swimming, tennis, and other summer programs.

Officers of the league urged that the parents take a more ac-

tive part in the program for the summer.

The scheduling and team sign-ups will be made later in the spring, parents and children at the Monday night meeting were told. About 35 attended the meeting.

SANDY—Weather allowing it, full squads of Sandy high trackmen will travel to West Linn and to Park Rose for two meets during the next week, according to Coach Bob Woodward.

Sandy meets at West Linn for a dual meet Thursday, April 14, and on April 20 at Park Rose for a triangle meeting between

Sandy, Park Rose and Milwaukie.

Although the big Sandy squads will travel intact for the two engagements, top runners and jumpers on which Sandy is pinning her hopes include Don Dubarko for the 440 yard run, broad jump and the 880 relay; Jim Griffin for high and low hurdles, the high jump and the javelin

We're mighty proud of our new look, inside and out. In addition to the new paint job and sign outside, we've re-decorated the sidewall in the restaurant and put in a beautiful new green tile floor.

In the Rough Riders Room we've installed the latest in stainless steel sinks, a 10 foot model.

Watch for our 'picnic park' in the back, where we're going to fix up booths outside so the whole family can enjoy themselves this summer.
