Subscriber Ads

The holder of a subscriber ad card is entitled to one free ad. You may include one or more items in an ad. We will classify it under the proper heading. You are entitled to write as much as you wish on one side of each card. Do not use ad card for sale of real estate, auction or business cards—all of which must be paid for at Classified ad rates. If you buy merchandise specially for resale or operate a service business (garage or hatchery) such ads are paid classifieds. Rental ads, sales of anything you raise or produce, want ads for similar purposes, sales or extra equipment or household goods, originally bought for your own use help wanted, personals—all are eligible to become subscriber ads for the holders of subscriber ad cards.

Write your full name, mail route, box number, direction and distance from nearest town or crossroad clearly on the card. Include the phone number if you have one. If near a grange hall, school or other landmark, it is a good idea to include the information.

Subscriber ads are always printed in the first issue after receipt. Ads received before 10 AM Tuesday will be in the Thursday paper. If you wish an ad repeated you can clip it out, paste on another card and mail or bring it to the Sandy or Estacada offices. Only one identical ad will be accepted for a single issue—duplicates will be discarded.

Write clearly using a type-writer, pen or soft lead pencil. Don't forget, you can buy as well as sell with subscriber ad cards. Let the seller look you up. Often the person with the best buy doesn't think about selling until he reads your ad.
