County Fair Horseshoe Tournament To Be Held At Canby On Saturday

The annual Clackamas County Horseshoe Tournament will be held at the Canby Fair Grounds starting at 10:00 A.M. August 20, according to an announcement yesterday by Larry Lawrence, manager of the fair. He also announced the appointment of Ted Huff as director of the tournament.

Some of the outstanding pitchers who have already expressed

Picnics Fete Seattle Folk

SANDY—Mr. and Mrs. Alvin Carlson entertained recently with an outdoor picnic and barbecue at their home near Lusted honoring Mrs. Carlson's sister and brother-in-law, Mr. and Mrs. Fred Emil of Seattle and their children who were visiting at the home of their parents, Mr. and Mrs. Art Woodcock.

Guests were Mr. and Mrs. Don Lyons and children, Michael and Daryl, Mr. and Mrs. Ray Woodcock and children, Susan, Sharon, Jerry and Nina Ruth, and three boys from the State school of the Blind, Leonard Anderson, Bobby Jackson and Larry Mayo who are boarding here for the summer.

Sunday, August 7, the same group had a picnic at the home of all the ladies' parents, the Art Woodcocks.

Anniversary Celebrated

ESTACADA—The home of Mr. and Mrs. Homer Glover of Eagle Creek was the scene of a surprise celebration recently when the Glovers celebrated their 39th wedding anniversary. About twenty relatives and friends gathered to celebrate the occasion.

The group, which included a son, Clifton, his wife and children and other relatives, all of Portland, presented the Glovers with a gift and furnished refreshments.

Among others present were Mrs. Sarah Jane Spillane and son of Washington, D.C., who are summer visitors in Oregon and friends of the Glover family.

their intention to enter the tournament are Leonard Millsbaugh, last year's county champion; Eldon Harvey, 1953 county champion; and Arnould Pedersen who was sixth in the state tournament at Hillsboro last year and third in the county tournament.

A round robin play will begin promptly at 10 o'clock Saturday morning Huff emphasized, and everyone is invited to participate. No prior qualification scores will be taken this year, but the ten top slingers will get places in the tournament. These will be selected from ringer percentages. An entrance fee of one dollar has been set by the fair board and players should get in touch with Ted Huff at 512 Main Street, Oregon City, or phone Oregon City 6367 by 5:00 P.M. August 18, to signify their intent to enter the tournament.

Quiet Rites Unite Pair

SANDY—The Community Presbyterian church in Sandy was the scene of the marriage of Mrs. Fern Steinert, daughter of Mrs. Charles Bentley and the late Charles Bentley of Portland, to Robert Searls, son of Mrs. Lena Searls and the late Frank Searls of Sandy, on July 24, at 1 P.M.

Rev. Phil Hampe, minister of the church, performed the ceremony. Mrs. David Bell was soloist and Mrs. Walter Wessellink played the wedding music.

The bride was given in marriage by Ernest Searls, uncle of the groom. She wore a street length turquoise blue dress with net inserts on each side, accented with a rhinestone necklace and matching earrings and her corsage was of white rosebuds.

Miss Jo Ann Steinhert was maid of honor for her mother. She wore a slate gray dress with a dusty blue flower scroll trimmed in white. Mrs. Allen Searls was bridesmaid and wore a dress like that of the honor attendant. Their corsages were of pink rosebuds.

Eldon Searls was best man for his brother and Allan Searls, another brother, was usher. The newlyweds will make their home in Portland.

Edna Scales In Fund Drive

SALEM — Mrs. Robert Y. Thornton, Salem, wife of the attorney general, recently appointed to head a state-wide fund-raising project to be run by the Democratic women of the state, has reported to Mrs. Thomas Scales of Sandy, vice-chairman of the Democratic state central committee, that plans are well under way for the program.

der way for the program.

Mrs. Thornton has asked each Democratic woman who is either chairman or vice-chairman of a county central committee to appoint a local committee to plan and execute her county's part of the program.

Mrs. Scales agreed that the important thing was for each county to do something as a part of the program. "Every Democratic woman in the state," she said, "should have a part in

this effort. No contribution will be too small to count in so necessary and so worthwhile a project."

Some counties, Mrs. Scales added, will have one large event to raise the money; others will have several affairs in various communities.

Design A-308. The working drawings call for a complete frame construction with the exception of the floor, which is an insulated concrete slab laid on a gravel fill. The exterior finish is siding and asphalt shingles.

The floor plan is designed for use on a narrow city lot and consists of three bedrooms, a combination living-dining room, a kitchen with its own dining space and a utility room.

The floor area is 1,056 square feet.

"PGE electricity is my biggest bargain"

Says Mrs. Robert E. Clarke, 5025 N. Montana Avenue, Portland

"It is so clean, so safe—and makes our living easier and more enjoyable for just pennies a day"

Keeping house for a family that includes two energetic little boys requires a lot of cleaning, washing and cooking—and as Mrs. Clarke says . . . "I just don't know what I would do without the ever-present help of PGE electricity. It just seems as if I'm always flipping a switch on some electrical appliance to help me." As a matter of fact most PGE customers call on safe, dependable electricity over a hundred times a day. It does so much yet costs so little.

The Clarkes, like so many PGE families, have just recently modernized their wiring with PGE's new easy-pay wiring financing plan. Their rewiring included new and convenient floor plugs and a larger circuit box that enables wiring for their electric dryer which they hope to install in the near future. Mrs. Clarke states, "I used to live in Florida, and electricity was so expensive that my family couldn't enjoy it the way we do here. But now we enjoy ALL-ELECTRIC living at bargain prices."

Actually the average PGE customer pays less than half as much per kilowatt hour as the average rate in the rest of the country. PGE electricity is truly your biggest bargain!

INVESTIGATE . . . PGE's easy-pay WIRING FINANCING PLAN

Don't put up with inefficient appliances, dimming lights, or dark corners any longer. Modernize your wiring the painless PGE way. Simply list all of the wiring improvements you want made, have them estimated by a reliable electrical contractor and tell him you want to take advantage of PGE's wiring plan. He will do the rest. You pay nothing down, as little as \$3 a month right with your electric bill. This is just another exclusive service which PGE customers can enjoy.

The Clarkes have all of these labor saving appliances

The magic of electricity brings television entertainment for the entire family. The cost? . . . 3 hours for a penny!

Whether it's a quick lunch or a full-course banquet, PGE electricity is ready to do a fast job at the flip of a switch. Cost? . . . only 5¢ a day!

Ever-present hot water for dishwashing, bathing, clearing house or doing the laundry is a priceless luxury—get you get 21 gallons for a nickel!
