Bull Run PTA Postpones Meet

AIMS - BULL RUN — The continued unsettled, cold weather has called for several social and church activity adjustments.

The Bull Run PTA decided to change the postponed February meeting to the regular March 1 meeting, with the intermediate room of Mrs. Wesselink still in charge of the entertainment. It is hoped the weather will permit this meeting to be held.

Next biggest news to the weather is the six foot cougar killed by "Bud" Little and Virgil Stiger of Bull Run on Larch Mountain. Mr. Little brought it into the Bull Run store where several people viewed the big animal.
