

The fountain of content must spring up in the mind—and he who has so little knowledge of human nature as to seek happiness by changing anything but his own disposition, will waste his life in fruitless efforts, and multiply the griefs which he proposes to remove.

Women To Keep On Summer Call

The Sandy Woman's Hospital Auxiliary held the last meeting of the season at the home of Mrs. Homer L. Bullion the evening of June 16. Members will vacation until September but the group agreed to be on call for the cancer clinic at all times.

Work for the last meeting entailed making dressings for the cancer clinic to insure filling the cupboard at the Hartwig building. The auxiliary maintains the cupboard with dressings, bandages, bedjackets, Johnny coats, slippers and draw sheets. Mrs. Frank Forman, field captain for the Sandy area in cancer work is a member of the auxiliary.

The women announced that the emergency cupboard also housed in the Hartwig building will be ready for use all summer. A supply of clothing and bedding is kept for disaster victims of the area. The cupboard is supplied with voluntary donations from town-people.

In a summary of the activities of the Well Baby Clinic, another project sponsored by the hospital auxiliary, the chairman reported that for the past three years over 30 children a month have been examined.

Summertime Eating is Fun in Oregon

Here we live in the one spot in the world where the finest strawberry shortcake is possible. Our Marshall variety strawberries are the finest berries known for flavor and richness. Oregon's dairy products meet the high standards set by the nation's dairy industry. And of course, the flour used in your shortcake is the finest baking flour known... made of soft wheat grown in Oregon.

OREGON HAS ALL IT TAKES to give you a summertime of fine strawberry shortcake eating. The wheat growers and strawberry growers have encouraged your grocer to make "specials" this week so you will be able to give your family all they want of this super dessert. Your baker too, will be featuring many delicious shortcake treats. Particularly handy are the shortcake dessert cups. However, if your idea for shortcake is crunchy, golden biscuits, here's an old-fashioned recipe which is a real "map" and made better because of Oregon wheat.

Shortcake Biscuits
Combine: 2 cups biscuit mix
1/2 cup melted butter
1/2 cup milk or light cream
Mix lightly until blended. Turn out on lightly floured board or cloth and knead 4 or 5 times. Cut in large rounds. Bake at 400 degrees 15 minutes or until golden brown.

*To make a large shortcake cut in slices or squares, add 1/2 cup milk or cream. Mix lightly and spread in greased baking pan. Bake at 425° about 20 minutes.

Satisfying in every way, eye-appealing and mouth-watering, there is nothing that tells you so well that summer is really here. Try Strawberry Shortcake for summertime, dessert-time, party-time or anytime... serve plenty.

REMEMBER: Summertime energy is in your shortcake, too. The choice Oregon wheat used in your shortcake helps give you the needed energy for the hot summer months, by contributing rich body building protein.
