Mr. and Mrs. Donald Marshall and Mr. and Mrs. Dave Jeness and families were guests at the home of their parents, the Paul Bartlemays for Father's Day.

A highly successful Bible School held at the Little Brown church, Boring, came to a close Friday, June 6, with a program of songs and exhibits for the parents of the children attending. Mr. Orville Yeager, Sunday School superintendent said that attendance ranged from 22 to 36 children for the 10 day period. Bible study, including handicraft work, made up the format of each day's program.

Mrs. W. E. Hoffmeister and children were Father's Day

guests at the home of Mr. and Mrs. Ernie Hoffmeister. Her husband is in Idaho working and will not be home for another two weeks. Other callers that day were the Carl Lewis'.

Mr. and Mrs. Otis Rich and Mr. and Mrs. Norval Naas and family have just returned from a week's fishing trip to Paulina and Diamond Lakes. The John Kastons and Jim Knox's joined them for the weekend. They reported the fishing fairly good at Paulina and not so good at Diamond and the weather cold and stormy.

BULL RUN ...

By Elizabeth Haggstrom

Most of the available people around here are busy with some type of berry work. But

one of the Aims young people discovered a new way to escape picking any more this season. Edward Steele broke his arm at the elbow while playing in an almost empty hayloft during a 'rest period'.

The junior girls of the Aims Community Sunday School sang a special song, 'Faith of Our Fathers', and dedicated it to the fathers on Father's Day. Assistant superintendent, David Granberg, gave the object lesson. Using a piece of heavy rope, he illustrated how the Church united in Faith in Christ is strong enough to withstand temptation, but each person, represented by a strand, can easily be broken by a strong enough pressure if not supported by Faith.

Next week is the Daily Vacation Bible School starting on June 23 and continuing thru June 27. It will be held at the Bull Run Community hall with children from four-years of age up welcome to attend.

Next week is the banquet for the high school and college age members of the PFC to be held Friday, June 27 at 7 PM at Jennings Lodge.

Monday evening Janet Granberg was hostess for a stork shower honoring Mabel Haggstrom.

Government Camp

Residents of the Mt. Hood area should be very proud that the Battleground, Washington entry in the Rose Festival Parade was a float in the replica of Timberline Lodge on Mt. Hood. It was their choice of historical events of the past fifty years.

Ione Backman, photographer at Timberline Lodge, was one of the official photographers of the Rose Parade on Saturday.

Mrs. Harold Hagen, Tim and Signe, left on Wednesday to spend two days at Kah-Neh-Tah Hot Springs. Alice Roberts substituted for Mrs. Hagen at the Postoffice during her absence.

Mrs. Charles Hill is having a new floor laid in Hill's Place this week. Oscar Lindstrom of Cherryville is doing the work.

Mr. and Mrs. Bud Volian have just returned after a two months vacation in Sam Blas, Mexico. They reported 120 degree temperatures, so spent most of their time in the cool depths of the Pacific Ocean skin diving.

Marilee Calkin, daughter of Mr. and Mrs. Ralph Calkin, celebrated her seventh birthday on June 17th with a party at her home. Refreshments of punch, cake and sherbet were served to fifteen young guests and their mothers.

Government Camp was well represented in the Golden Rose race at Timberline on Sunday.

Winner of the boys division 10-12 was Peter Darr. Mike Deveck placed second.

Tim Hagen and Robert West both raced but had the misfortune of falling at the finish gate.

Signe Hagen placed third in girls, 6-9. Also competing were Marilee Calkin and Lori Darr.
