MARMOT...

The Sandy art group has adopted the name "The Sandy Palette Club." An exhibit is being planned for the early fall. At the picnic in Marmot at the home of one of the members, Lillian TenEyck, Marie Thomas's name was omitted. Mrs. Thomas has a very beautiful painting of a scene at Marmot of a 100 year old cherry tree with the Cascade range in the distance.

The club hopes to do more outdoor sketching. We feel very thankful for the expert guidance of our teacher, Mrs. Ruth Hildur Lyons of Portland.

Mr and Mrs Herry Pletchmy and son Steven of Corvallis and Mr. and Mrs. Geo. TenEyck jr, of North Bend with Mrs. Lillian TenEyck of Sandy left Saturday morning for a week's camping at Wal-lowa Lake. They expect to spend the time fishing, swimming and skiing, also some sketching on the side.

Folks on the Marmot road were made very happy last week when an oil truck from

the county came through and oiled in front of the homes. The new grade on the Vaeritti Hill is also a great improvement or will be when it is hard surfaced.

The new owners of the former Virgil Aschoff farm, the Hancocks and Hukeys are and are enjoying their country life. They formerly lived in Portland.

BEST ENGINES!

One of 7 Big Bests Chevy gives you over any car in its field

Open invitation to excitement, the Impala Convertible... and America's only authentic sports car, the Corvette.

You've got more to go on than our say-so: Every motor magazine has given Chevy's standard passenger car and Corvette V8's unstinted praise. SPORTS CARS ILLUSTRATED says it this way: "... surely the most wonderfully responsive engine available today at any price." And if you want the thrift of a six, you still get the best of it in a Chevy.

BEST ECONOMY No doubt about this: a pair of Chevy sixes with Powerglide came in first and second in their class in this year's Mobilgas Economy Run—getting the best mileage of any full-size car, 22.38 miles per gallon.

BEST BRAKES Not only bigger, but built with bonded linings for up to 66% longer life. Just to prove what's what, Chevy out-stopped both of the "other two" in a NASCAR*-conducted test of repeated stops from highway speeds.

*National Association for Stock Car Advancement and Research

BEST RIDE A few minutes behind the wheel will leave no doubt about this. MOTOR TREND magazine sums it up this way: "... the smoothest, most quiet, softest riding car in its price class."

BEST TRADE-IN Check the figures in any N.A.D.A.* Guide Book. You'll find that Chevy used car prices last year averaged up to \$128 higher than comparable models of the "other two."

*National Automobile Dealers Association

BEST ROOM Official dimensions reported to the Automobile Manufacturers Association make it clear. Chevy's front seat hip room, for example, is up to 5.9 inches wider than comparable cars.

BEST STYLE It's the only car of the leading low-priced 3 that's unmistakably modern in every line. "In its price class," says POPULAR SCIENCE magazine, "a new high in daring styling."

NO WONDER MORE PEOPLE ARE BUYING CHEVROLETS IN '59 THAN ANY OTHER CAR!
