and Professional Women's Club enjoyed a dinner meeting at the Pink Feather Restaurant on Wednesday evening, April 6, at 7:00 p.m.

After the Flag Salute Mrs. Leonie Brooke gave the invocation. The following past presidents of the Club were honored in order of service and presented a handkerchief corsage by Mrs. Sara Berger, membership chairman; Mesdames Lorraine Martin who was the first president in 1947 to 1948; Edna Gunderson, 1951-1952; Louise Crutcher, 1951-53; Treva Ebeling, 1954-55; Esther Hoffmann, 1956-58; and Florence Schmitz who has been an outstanding president for three terms. Past presidents Mesdames Eleanor Ormsby Howard, Donna Grashorn and Ruth Anderson were unable to attend.

Oregon Federation officers present were also presented corsages: Mesdames Marjorie Blizzard, Oswego, first vice-president; Lucile Norton, second vice-president; Evelyn Kriedemann, Portland, membership chairman; and Natalie Burns, Canby, Past State president.

President Schmitz led the presentation of the Emblem Ceremony assisted by Mesdames Martin, Berger, Crutch-

er, Hoffmann and Ruth Ho-

weiler. New members Lois Volbrecht, Ardis Green, Leslie Cole and Helen Sulzbach were initiated into the Club and all members repeated the Club Pledge. The meeting was closed with the Club Collect.

Guests present were Mesdames Florence Metcalf, Yakima, Washington, sister of Mrs. Green; Martha Williams and Lucille Wienecke, Sandy.

Other members present were Esther Perren and Phyllis Cox.

A highlight of the March 26 North Willamette District Conference attended by seven

members at the Riverside Golf and Country Club was the address given by Dr. Clara L. Simerville, Foreign Student Counselor at Oregon State College, on "Our Freedom to Learn, Love or Neglect". On her recent world tour she was greeted by four scholars who have studied at Oregon State College under the Oriental scholarship given by Oregon Business and Professional Women's Clubs. In Rangoon Ma Kin Thi is teaching Home Economics in her college which has been rebuilt since the war. Ma Su Taki is teaching in Tokyo. She has helped conduct a

school for widows over 35 and a school for maids. A scholar from Pakistan and another from Hiroshima also greeted her.

As Dr. Simerville visited with a young man in India where nearly all weddings are still arranged by families, she asked, "Don't you ever worry about who they are going to choose?" He replied, "Why should I worry, that's their business!"

Of the 50,000 foreign students studying in America, 1,000 are in Oregon, mostly at the two State Colleges.
