Typical of the school boards gathering this month for budget hearings is that at Welches. Above are board members (from left) Tom Day, Wildcat Creek; Margaret Christensen, Brightwood; Milton Fox, Brightwood; David Keiser, Zig Zag; and Principal George Lienkaemper, Rhododendron. (Board member Ed Gadwood absent.) Only one person was present for the hearing. The Welches budget shows an increase of \$10,000 for

next year (about 11 percent), most of which is for a full time principal to be added as recommended by Oregon state requirements, and for additional teacher salaries at about \$200 per teacher in addition to the regular annual raise. School boards for Sandy Union high school, and Cottrell, Dover, Bull Run, Sandy, and Eagle Creek grade school districts are also holding hearings this month. (Sandy Post photo)
