## Sandy Cub Baseball Team Captures Two Victories in Three Contests

After losing four straight ball games, Sandy's Cubs finally got back in the win column with a 3-to-0 victory over Oregon City Saturday at Sandy.

Gary Barden pitched three-hit baseball.

In the fourth inning Barden singled, stole second, then stole third. On the same play, he scored the first run when the catcher threw to first base after dropping a third strike pitch.

Sandy scored again in the fifth when Arnet Ahrenkiel singled, was sacrificed to second by Chuck Croston, came to third on a wild pitch, and scored on a long triple by Dale Carpenter. Carpenter was driven home with a single off the bat of Jerry Katt.

Friday evening saw Sandy drop an 8-to-5 decision to Canby at Sandy. Sandy drew first blood with a run in the third inning when Croston walked, was sacrificed to second by Ahrenkiel, and scored on a double by Rawley Burns. They scored again in the fourth when Mike Telford drew a base on balls, moved to third on an error, and scored on a squeeze bunt by Mick Hoffman.

Canby scored five runs in the fifth inning, only one of them earned, off pitcher Chuck Croston. Three Sandy errors, two Canby hits, and a hit batter led to the uprising. Sandy came back with two runs in its half of the fifth, to make the score 5-to-4. With two out, Katt and Telford walked, advanced on a wild pitch, and were singled home by Dale Jackson.

Canby came back with three unearned runs in the sixth inning off relief pitcher Mike Telford. Two errors, a base on balls, and two Canby base hits were responsible for the Canby scores.

Sandy scored a single seventh inning run when Mike Telford was singled home by Mick Hoffman after walking.

Sandy defeated Harmony 13-to-4, Tuesday night at Sandy. Dale Jackson, Mike Telford, and Dale Carpenter shared the pitching duties.

The Cubs scored a run in the first inning, two in the second, and then had a big fourth inning with six runs to lead 9-to-3. Sandy added four runs in the sixth inning to ice the contest. Carpenter and Jerry Katt each singled twice. Ahrenkiel, Croston, Telford, Jackson, and Pat Cate had one hit apiece.

The games gave Sandy a record of eight wins against five losses. On Friday night, the Cubs begin a busy five night schedule, by hosting David Douglas Froese

at 7:30. On Saturday, July 15, the Cubs entertain Madison's American Legion nine in a nine inning contest at Sandy at 7:30 p.m. Parkrose will play host to Sandy Monday night at 7:30 p.m., and on Tuesday the Cubs will be at home again with an 8 p.m. encounter with Wy'east.

Line scores:

Sandy	3	5	1

## Applicants for Hunter Safety School Sought

Persons interested in participating in the second hunter safety school in Sandy this summer are urged to sign up now.

Registration is being conducted at the office of the Sandy Post. Only a few persons have signed up so far for the course which will be limited to 24 applicants.

Instructors for this Jaycee-sponsored course will be John Barnett and Jim Wolfe.

The classes are valuable to anyone, say the Jaycees, but are particularly important for the under 18 age group. A law, effective Jan. 1, 1961, was passed by the last legislature which makes it illegal for those under 18 to hunt outside their own or a neighbors property without a certificate such as those issued successful participants in the hunter safety school.

The first hunter safety session, completed June 21, was one of the largest such groups in Clackamas county. "Graduates" of the course conducted by Dep. Frank Baird and Reserve Deputy Don Root numbered 51.

## Hearing Halted By Jail Sentence

Hearings for Hayden J. Brewer on assault and battery charges in the Clackamas county justice court and the district court in Oregon City have been postponed due to the accused's conviction of like charges in Portland.

Brewer, 27 N. Killingsworth, Portland, assaulted his wife and Franz Herrman in front of the latter's Ski Way cafe in Government Camp May 27. He was scheduled to appear June 28 and June 30 in the Clackamas Justice and district courts respectively.

However he is now lodged in the Portland city jail following his June 26 conviction on assault and battery charges filed by his wife. He was sentenced to 35 days and a \$25 fine. If he pays the fine, the sentence will be reduced to 32 days, a jail spokesman said.

The Oregon City hearings will be scheduled pending Brewer's release in Portland.

## Thief Takes Small Radio From Home in Boring

A burglar took only a small table radio when he broke into a Boring home last Sunday, according to Clackamas county sheriff's reports.

Bessie Motell, Rt. 3, Box 1274, Boring, told police she was not home at the time when the thief broke and apparently entered through her kitchen window.

No suspect in the case has been listed.

All signs identifying a former post office must be obliterated when the post office closes. Bill Drips, owner of the building that housed the Welch's post office until its quick closure June 30, testily adds the word "ex" to the sign adorning

the mountain's oldest post office building. The building is now an historical monument, says Drips, and he has appropriately inscribed the dates, 1905-1961, of the "good old days" when the valley community boasted its own address.
