**Rhodie Report—**

By JOE KIEFER

Martha Katchell and Ann Carpenter had a thrill they won't forget for a long time.

Driving up from Sandy late at night — nearing the Wildcat mountain area the car's headlights spotted a large size cougar. Both girls were scared.

In to see Del Howard the other evening.

Del has had the flu and had to keep his mountain barber shop closed for a few days.

Had a chat the other day with Dave Howe. He also puts in a long day driving to and from Vancouver, Wash. Dave is the big moment in the life of Nell of Nell's Notes.

It won't be long now till Bob Strubel our CPA of the mountains will be as busy as a cat on a tin roof, making out our tax forms, telling us what we owe our uncle.

Charley and John Lake, away home from a trip south. They report was some fine skiing at Squaw Valley and then to Reno where at the Harold's Club they hit the jackpot on the bubble gum machine.

What happened to the new club our girls of Rhododendron had a-going for awhile? I think the name of it was "Slim Em Down." Did the village store run out of liniment?

Haven't seen Florence McKenzie driving her car on the highway for a long time; maybe she is in hibernation for the winter.

Just a few more days till old Santa comes again.

If you have a wee nip of cheer at any Christmas party, please do take it easy driving on the highway.

To all my friends who read my old Yakety-Yak I wish a very Merry Christmas.
