## Accident Takes 'Minute To Happen, Years To Remember'

An auto accident which happened 16 years ago wouldn't mean much to most of us. But it does to 23-year-old Larry Brooks of Rt. 2, Box 1470C, Sandy.

Larry, first injured while alighting from an Orient school bus in 1946, returned to the hospital for kidney surgery in 1956 and just last week had to undergo surgery again at Gresham General.

Both Larry and his parents, Mr. and Mrs. Frank Brooks of Rt. 2, Box 692, Gresham, know that an accident often isn't for the minute; it can last for years.

Mrs. Brooks said Monday, "Every day, I see youngsters playing in the roads. We only hope that Larry's experience will spur parents to teach their youngsters to be extra careful, and to cause drivers to be a bit more cautious now that school is out."

Larry is recovering satisfactorily from his latest surgery and expects to be out within a week. However, he must take things easy for some time to come.

**Partner In Farm**  
This won't be easy since Larry is in partnership with his father in a 132-acre farm near Dover. Thirty acres of strawberries are about ready to harvest.

Janet, Larry's wife, also has made reservations at the hospital — for their first child, due "any minute."

Larry was a second-grader when hit by the car back in 1946. He was tossed into the air by the car and was unconscious for five days and nights.

He suffered a skull fracture, shoulder injuries etc. and actually has been under a doctor's care more or less all the time since.

"We just hope that my experience will cause someone else to be a bit more careful."

**Spring Recital Held at Orient**  
The George Hale Music Studios presented their spring recital at East Orient school May 25.

George Hale is director and Barry Lasher is assistant school director.

Students participating were: Harold Hienstra, Pat Sparks, Carmen Morfitt, Gordon Fischer, Gary Sparks, Debra Davis, Rodney Nelson, Dan Rivers, Rosemarie Meier, June Snyder, Carol Davis, Shirley Kindred, Carol Jones.

Art Ueker, Billy Walter, Chris Doolittle, Barbara Walton and Venita Allan.

Burton Kindred, Don Hunt, Sharon Gantenbein, Paul Bergh Diana Davis, Michael Sparks, Gayle DeYoung, Carol Meier, James Boring, Janice Lasher, Terry Winslow, Kathleen Ulrich and SuAnne Newhaus.

Instruments played were clarinet, saxophone, piano and accordion.

Three bands were featured and refreshments were served.

## State Advises 'Hire Youths'

As schools close for the summer, the Oregon State Employment Service's Youth Service's division reminds employers and householders that capable high school and college students will be looking for summer employment.

Typical jobs they are qualified for, the Employment Service said, include baby sitters, bell boys, bus boys and girls, camp counselors and assistants, canner laborers, car hops, carryout boys, car washers and polishers, cashiers, dishwashers, display clerks, and many others.

Younger students are also looking for crop harvesting jobs, the Employment Service said.

Those needing summertime help should contact the Oregon State Employment Service now.

## At Boring —

**Barnetts Visit**  
Mrs. Gordon Barnett and her daughter, LizAnn of Los Angeles, and Mr. and Mrs. George Lehl of Portland were visitors last week at the J. P. Olds.

The A. B. Corners and children Phyllis, Shirley and Donald went on a family picnic with the children's grandparents, the Wallises and other relatives last Saturday at Eagle Creek, close to Bonneville. Some of them took the spectacular seven-mile hike to Devil's Punchbowl.
