SNOW CHATTER

Around Wemme and Brightwood

By GRACIE SHAVER

Hood-Land 547

The weather here on our mountain is as changeable as a woman's heart. Last Sunday we had a two inch snowfall. This week we had spring-like weather. Which only means the weather will take a turn for the worse. Ha — now I'm predicting, just giving Nell Howe a rest.

Congratulations to the Robert Shipley of Welches District. No, we better make that a double congratulations as a brand new son and daughter set of twins have joined the family tree. New babies arrived Saturday, Dec. 8.

Down from Seattle, Wash., to spend a few days with his grandparents, Ray and Shirley Shaver of Fabian, is wee little Rodd Duff. Oh! yes he came along with his parents, Richard and Maureen Duff.

Roy Boppe up from Seaside for a short visit. Roy left the family home but Chris says to tell everyone hello.

Butch Radmilovich placed third in the skating competitions. He now has a bronze medal to add to all his ribbons. No wonder his folks are beaming. Pete watched the goings on and then took a bad cold but he feels fine now.

COAST GUARD AVIATION

Direct Commissions in the grade of Ensign and Lieutenant, junior grade, in the Coast Guard Reserve for active duty in a flying status are being offered to qualified aviators. Applicants must be under thirty years of age, be graduates of U.S. Naval or U.S. Air Force flight training programs (heavier than air); and have served on active duty as commissioned officers in the U.S. Navy, Air Force, Marine Corps, Coast Guard or reserve components thereof in the capacity of an aviator pilot for a minimum of two years. For further information regarding this opportunity, contact Commandant (PTP-2), Coast Guard Headquarters, Washington 25, D. C. or contact your local Coast Guard recruiter.

PSC NUCLEAR LAB

One of the most modern instructional nuclear physics laboratories is now in operation at Portland State college. The lab was completed this fall under a \$16,500 Atomic Energy Commission grant. Two classes, totaling 16 students, are now receiving instruction in nuclear physics from Dr. Rudi Nussbaum, associate professor of physics. "The laboratory contains equipment for the most advanced measurement techniques of nuclear radiation," he said.

4-H ADVISORS

The Clackamas County 4-H Emblem Club recently selected as their advisors for the 1963 4-H club year Mr. and Mrs. Ragnar Anderson, Colton; Mr. and Mrs. Earl C. Meier, Boring; and Mrs. Gabriel Charriere, Park Place. The Emblem Club is made up of older 4-H club members from all over Clackamas County. This group has service projects, as well as fun events. The next scheduled event is a skating party in January.

Jeary taking all the goings on in her stride but a mighty proud mother.

Ray Novotny, Wildwood, over to Summer Lake for goose hunting. Ray found all the geese have flown south. Agnes just as happy. Once got Agnes to help pluck a few old chickens and neither one of us really enjoyed it.

Lights Go On

More and more Christmas lights are going on here on the mountain. Beginning to look real Christmas like. May be wrong but I think the Mtn. Air Motel was first to be all prettied up.

How about that Bill Anderson up at Rhododendron. Bill feeling fine now is back bowling and hit a big 224. Now if his Washing Well team can only do that. We have been low man on the totem so long the rise up would be a drastic situation. We may not be on top but were trying anyway, and having a lot of fun.

The game of bowling dates back way to the fourteenth century. Was first introduced to England and was called Kails. Now they call it "Skittles". The game is played with a round flat disk and it is not thrown or rolled but casted on its edge. Object same as bowling — try to knock down all the skittles. Disk is usually 12 to 14 pounds in weight.

Same as bowling, disk not cast with precision causes a gutter run. Been wondering what was wrong with my Black Beauty—it just hasn't got any precision.

Wonder where I got all this info? Well that's a deep dark secret. So with that bit of vital bowling info — Have Pen will write — Have phone will answer.

To correct last weeks boo-boo — Harvey Miller moved to Prineville, not Madras. Was my mistake not ye old Sandy Post.

This year members of the Gresham Outlook and Sandy Post Ski school at Government Camp will wear the official sleeve patch admired by Lynn Murrell, Gresham high school junior. Lynn has just paid her \$26 registration fee for the five-week course to official chaperon, Mrs. Walter Taylor. Openings are still available for the course which starts Saturday, Dec. 29, when students (seventh grade and older) will leave by chaperoned bus from the Outlook and Sandy Reckall Drug. For information call MO 5-2181, Gresham, or MU 7-2781, Sandy.

**Evening College Credit Classes
To Begin Jan. 2 in Gresham**

Twelve evening classes for college credit are scheduled to begin the week of Jan. 2 in Gresham at the high school. These classes are offerings of the colleges and universities of the State System of Higher Education.

Classes meet one evening each week from 7 to 9:45. A listing of courses scheduled follows. Meeting day and number of credit hours offered are indicated.

Mondays, beginning Jan. 7:
General Biology (BI 102), 3 credit hours; Occupational and Education Information (ED 486), 3 credit hours; Introductory Geography (Geog 106), 3 credit hours.

Tuesdays, beginning Jan. 8:
Art in the Elementary Schools (AA 312), 3 credit hours; Psychology of Reading Instruction (ED 428), 3 credit hours; General Psychology (Psy 202), 3 credit hours.

Wednesdays, beginning Jan. 2:
Physical Science (GS 105), 3 credit hours; Geography of Soviet Union (Geog 427), 3 credit hours; English Composition (Wr 112), 3 credit hours.

Thursdays, beginning Jan. 3:
Workshop: Ungraded Primary (Ed 408-508), 3 credit hours; Children's Literature (Eng 388), 3 credit hours; Human Development (Psy 311), 3 credit hours.

Fees Set
Fees are \$12.50 per credit hour. Students may register without paying a late fee through the second class meeting.

These offerings in continuing higher education are made available through the General Extension Division of the Oregon State System of Higher Education. Further information may be obtained from Trostel Werth, curriculum director, Gresham Union High school.

**Mission Nurse
To Speak Here**

Ruth M. Rumphol, missionary nurse to Nigeria, West Africa will be welcomed Sunday evening during the 7:30 p.m. worship service at First Baptist Church, Sandy. Miss Rumphol is home on furlough after her second term of duty in Nigeria. The Foreign Mission Board of the Southern Baptist Convention appointed her as a medical missionary in 1951. Miss Rumphol is currently visiting her brother who resides in Troutdale. She will be a week-end guest of the Rev. Fred S. King family of Sandy.

A native of Wisconsin, Miss Rumphol received her nurses training at Kahler School of Nursing, Rochester, Minnesota. She serves at Ogbomoso Baptist Hospital in Nigeria. Miss Rumphol is noted for her clever delivery and her inexhaustible humor as she speaks of her work on the mission field. She brings a pictorial report of Africa as well as a spoken one. Her colored slides have been of great interest wherever they have been shown.

The public is invited to attend the service and the reception honoring Miss Rumphol which will follow at 8:30 p.m.

Obituaries

LLOYD E. CHESNUT
Lloyd Earl "Lee" Chesnut III, 13, of Rt. 3, Box 472, Boring, died Dec. 7. He was born Feb. 22, 1949 in Portland. He attended school at Sandy and was a member of the Sandy 4-H Riding club.

Survivors are his parents, Mr. and Mrs. Lloyd E. Chesnut, Boring; two brothers, Michael S. and Thomas D. Chesnut, Boring; three sisters, Mrs. Barbara Kubitz, Sandy, Donna and Betty Chesnut, Boring; his grandparents, Lloyd Chesnut, Oak Grove, Mrs. Ruth Chesnut, Salem, and Mr. and Mrs. Clyde Schoolcraft of Coulee City, Wash.

Funeral services were held Monday in the Chapel of Carroll Funeral Home with vault interment in Lincoln Memorial Park. Rev. Edwin Neuenfeldt officiated.

ARTHUR PAULUS

Arthur G. Paulus, 38½ SE Ivon, former Boring resident, died in a Portland hospital Dec. 8. He was born Feb. 28, 1891 in Random Lake, Wis.

He was united in marriage July 16, 1927 in Brownsboro, Tex., to Christina Koblenzer. They moved to Boring in 1953. He had been a farmer all his life and was a member of Immanuel Lutheran church in Sandy and was active in the building of the new church building.

Rev. Walter Laetke conducted funeral services Wednesday at Bateman Funeral Chapel with interment at Forest Lawn cemetery.
