Marshall Glos visualized the great need for a Ford agency in Sandy and his beautifully designed building is an outstanding asset to the town. He is very proud of his staff as they work so perfectly as a team to make your sales and service calls convenient and reasonable. His love of people drew him to his present business. He started in the parts department in Eugene in 1949, was promoted to sales and subsequently became the owner of two dealerships. Marshall hopes this will be his final topping off place 'til he's 99 1/2 years old, and has every reason to believe this will be the case, because of the wonderful and generous support of the people of Sandy and adjacent communities. Come in to Glos Ford on Loop Highway or call MU 7-2111 where they take pride in their business dealings.

Sandy Sand & Gravel was purchased May 1 by Arthur Murphy and Hugh Awe. They completely remodeled the plant to serve their customers better. They specialize in road rock and concrete material.
