Sandy BPW Club

By OLLIE KANAK

The Sandy BPW Club has the unique distinction of being the first group to hold their Feb. 6 dinner meeting in the recreation hall of the new St. Jude's nursing home. The dinner was particularly successful in view of the limited facilities in the culinary department. It was served graciously by the Brothers in charge.

Honored guests included Rev. Rene Bozarth and Dr. Stanley Willborn of the hospital staff. Also present were several members of the Gresham BPW Club. After a short address by Rev. Bozarth, who introduced Dr. Willborn, the club heard a most enlightening talk on care and nursing of geriatric patients.

An escorted tour of the hospital impressed the group with its beautiful appointments, modernness and view for the enjoyment of the patients.

Miss Debra Skinner of Sandy high school was honored as the "Girl of the Month" for her poise and outstanding scholastic achievement.

Aims Community Club Project Cheers Veterans

By MRS. J. A. HAGGSTROM
FR 5-4131

AIMS - BULL RUN — Aims Community club met Feb. 6 at the Charles Elmsner home, Mrs. Morris Anderson was co-hostess.

Our new president, Mrs. Van Ausdell, showed and passed out for working some of the pillowcases she purchased for the Christmas Gift Shop at Veterans' hospital. The beautiful afternoon brought many to the meeting. There were 16 adults present.

Mrs. Plymale was elected vice president to replace Mrs. Harold Jenks, who recently moved away from the district.

The members enjoyed playing games appropriate to the season. Next meeting, March 6, is scheduled for the Ralph Bowman home. Mrs. Hagstrom as co-hostess.

Questions Answered

To clarify several questions, your reporter would like to explain something: when the Aims Community club was founded — 17 years ago this coming October — there was no church or other group of any kind, and the club functioned as first aid, emergency, etc., as well as a social group.

Pie Socials and Bazaars, quilt raffles, and etc. were used to obtain extra money for people in need. With the church and missionary groups, these needs for the club no longer exist, but the club still meets socially — this is the one time when people of different faiths and positions meet in free fellowship.

Actually the once a month time is often the only meeting of a busy month, and we enjoy it.

The club still uses the dues, 50 cents a year, to support the Legion and Auxiliary Gift shop.

Family Night

The Aims Community church had a family night on Feb. 5, and following a potluck supper, there was a business meeting.

The church agreed to modernize the electricity in the church, and especially to be sure of enough heating for the Sunrise breakfast, as Aims is the host for this year.

A committee, Mrs. Bowman, Mrs. Yonker and Mrs. Miller, was appointed to find a place for the outdoor services, and announced that the Van Ausdells have a beautiful spot, weather permitting, so the Sunrise Services will be held at either the Van Ausdell place, or in the Aims church on the morning of April 14. So keep this date marked on your calendar.

Film To Be Shown

It was announced that one Bible study night, date not settled, the Overseas Crusades will show a basketball film, "Ventures in Victory." The church is rapidly getting a more finished appearance.

Thanks mostly to L. E. Baker.

er, the sidewalks are being built, a retaining wall is going up, and an extra outdoor covered walk to be used for access from back of the rostrum to the downstairs basement, kitchen etc., is expected to be useable by Easter.

This church is missionary minded, so have voted to add \$15 to the amount now used in support of missionaries.

So many different missionaries were suggested, that the use of the extra funds was tabled until the May meeting, when a single objective will be sought.
