Sandy Tops Jesuit In Close Scoring

Shooting 36 per cent from the field sounds all right until you add that it was the Sandy Pioneers who compiled the average.

After having hit 25 for 50 at Reynolds for 50 per cent, and having hit outstanding percentages in other contests, their 19 baskets in 53 shots in the Jesuit game looks pretty low.

Two Pioneer scoring standbys had off-nights. Gerald Hale averaged a lowly .091 on one out of 11 shots. Dan Nichols canned three of 13 on his usually deadly jumpers, but added three lay-ins.

Sandy led most of the way in their 61-54 victory, but Jesuit threw a scare into the home crowd in the third quarter when they took a 43-38 lead at one point, and closed the quarter 44-40.

The hosts came up with a 21 point fourth quarter, however, to record their eighth straight win. Carl Sandstrom poured in ten points to bring the team from behind.

Sandy had taken the upper hand for a 14-8 first quarter lead. They started to improve upon that score in the second quarter, but the Crusaders took control of the game, and by halftime they had whittled the Sandy lead to 31-28.

After the half stop Jesuit captured the lead, only to have the Pioneers come back for the win.

Sandstrom led both teams with 17. Nichols followed with 16. Chuck Croston sank 11 foul shots and a lay-in for 13 points, and Dale Carpenter added 10. Hale and Jon Sandstrom filled out the total with 3 and 2.

League leading John Dougherty hit 12, and Bob Bastasch followed with 10 for Jesuit.

The Rev. Jack Chase, member of the national champion wheel-chair basketball team, will speak at the Assembly of God church in Sandy Feb. 24-March 3 at 7:30 p.m. At the age of 20, the Rev. Mr. Chase was stricken with polio leaving his legs paralyzed.

Guard Sets Muster Day

Muster Day activities for the Oregon National Guard will be Feb. 17-24, with most units sponsoring public programs on the closing Sunday.

Recently-announced reorganization of the Guard left many units under-strength, and a drive has been launched to bring their personnel strength up to requirements.

Muster Day also allows the community to view the training, equipment and personnel of local units. Guardsmen in several cities are planning open houses, and Portland units will sponsor a display at the Lloyd Center.

Use of Muster Day to call attention to the role of the National Guard in community life dates to the nation's founding.
