Deputy Flags Down Drag Strip Racers

Sheriff's deputies arrested a pair of Portland youths using a road in Rockwood industrial park for a drag strip last week. Deputies spotted the pair as they started to race on San Rafael St. near 190th Ave. and halted them near 181st Ave. Given speeding tickets were Thomas A. Swanson, 19, of 10375 SW Ridgeview Lane, and a 17-year-old boy turned over to juvenile authorities.

HERE and THERE with

AUDREY COLSON
Phone MU 7-2051

Sometimes it doesn't pay to open your mouth. Last week I was commenting on the fact that the high school kids won't sing the Star Spangled Banner, and I did get a few telephone calls from various people on it. Some were good and some bad.

One lady phoned and said even if the kids wouldn't sing the song, at least they should stand at attention (so at the game last Friday, I looked around as the flag was presented, and sure enough, half of the kids were standing with their arms folded in front of them, some folded in back of them, and lots of them holding coats and various objects in their hands).

I'm sure that they start in grade school to teach respect for the flag. In case some of you have forgotten here are a few suggestions on respect for the flag. 1. When the national anthem is played and the flag is displayed, all present should stand and face the flag. Those in uniform should salute at the first note of the anthem, retaining the position until the last note. All others should stand at attention, men removing their hats.

2. Civilians will always show full respect to the flag when the pledge is given or anthem is played by merely standing at attention, men always removing their hats. That is all I have to say on the subject of kids not singing the national anthem. My daughter is afraid she'll get showered at school if I say anything more.

Game 'Nip and Tuck'
If you missed the basketball game at Sandy last Friday against Jesuit, you missed an exciting game. It was nip and

tuck from the second quarter. At the third quarter Jesuit was ahead and that just about broke our hearts. I always think positive about that sort of thing and I'm sure that those kids were doing the same thing, because they came back winning the game by a mere 61 to 54.

I'm no authority on how any boy plays basketball, but from just a mere woman's reaction, I thought Chuck Croston and Carl Sandstrom saved the game by their free throws. Everything happens so fast in those games that it is hard for me to remember who is making what basket. Dale Carpenter played a very good game also. I hope that you will come down and see these kids play Parkrose on our floor this Friday. This should be very good.

This week the Sandy Community Calendar birthday people are as follows, on Monday the 18th Eric Lundeen has a birthday. On Tuesday the 19th Mike Fischer has a birthday and anniversary wishes go to Mr. and Mrs. Lloyd Holt. Anniversary wishes go to Mr. and Mrs. Ralph Hames on the 20th and Dorothy Phelps and Glenn Olson share a birthday. On Thursday the 21st, Clark Belangy has a birthday and on Friday so does Glenn Miller. Saturday P. N. Smoke has a birthday and on Sunday the 24th Janice Mishima, Gary Coon and Miles Drum all have birthday wishes coming to them.

Grange Dinner
Now that the AFS Dinner is over and is a success you can look forward next month to the Sandy Kelso Grange annual dinner. Plans are being made for this big event and it will be held on March 30 this year.

One other event that is coming up is the B.P.W. Style Show which will be held on Wednesday, March 27. Plans are being made on this also and if you want some tickets to this event ask me or any other BPW member and we would be glad to see that you have your ticket in advance. It should be better than ever this year. Look forward to this event.

This Saturday evening there will be the regular card party at the Sandy Kelso Grange hall starting at 8 p.m. The public is invited and there will be prizes and door prizes and refreshments served to all those attending. Go and have a good time.

There are some petitions out in the outlying stores for any of you interested in forming a new water district. This would help the Boring, Lusted Rd, Cottrell districts and is a good idea as far as I'm concerned. If you are interested in helping to get these petitions signed, stop in at Gantenbein's Store, Rickman's, Western Food Store or Boring General Store.

Was wondering why all the young men around town are sporting beards and was informed that Sandy has a birthday coming up this year—their 50th—and these guys have plans cooking.

Men Only!
I hope that they stick to just the men to do anything spectacular. I feel sorry for Paul Oscar Anderson for ever sticking his neck out and starting that walking hike to Salem. He didn't finish it of course although around 100 people did. I hope that these Sandy guys stick to small stuff and don't involve housewives in doing anything drastic.

Mr. and Mrs. Fred Morgan of Pleasant Home were Tuesday visitors at our home last week and Sunday Mr. and Mrs. Don Dove and Leanne and Larry from Gladstone were our visitors.

This week is National Brotherhood week. It is up to us as parents and as fellow men to help instill in our children respect for our fellow man and love for our neighbor.

Starting Feb. 25 through March 1, it will be a week of Preaching Mission at the Presbyterian church in Sandy. There will be special music each night and refreshments afterwards in the annex. "Christian Growth" will be the inspiration of the main speeches.

Monday evening, Feb. 25, Dr. Robert Bonthuf will speak on "Holy Spirit"; Tuesday, Feb. 26, Rev. Art Stevenson will speak on the "Bible," on Wednesday, Feb. 27, Rev. Kenneth Shellbach will speak on "Prayer," on Thursday, Feb. 28, Rev. Marvuf Keyser will speak on "Love" and on Friday, Feb. 28, Rev. Alexander Hood will speak on "Service." These talks will be open to the public and I hope to see some of you there.

Globetrotters Good
Saturday our family attended the basketball game starring the Harlem Globetrotters at Reynolds high school. Our daughter had as her guest Miss Charlotte Hames, who spent the weekend with us. If you have never seen the Globetrotters, you have really missed something, and they didn't disappoint the crowd Saturday.

Mrs. Hon Coates spent several days last week visiting with the Carl Bell family in Bull Run. Hon and Vivian got around to see several of their friends before Hon had to go home. Glad to see Viv up after having had a virus sojourn. Now Carl is not feeling too well.

The Youth Fellowship of the Presbyterian church all went to Eastmont Lanes Sunday for an afternoon of bowling. Pat came home with some low scores but had a good time.

At MARMOT

By Mrs. Lillian Ten Eyck

It will be hard to go back to having winter again as one can't be optimistic enough to expect this marvelous weather to last indefinitely.

There's nothing more invigorating than to see improvements in the neighborhood. Hans Rathjen with help of two sons, Hans Jr. and George, is steadily clearing an added portion of their "Wide View Farm."

When we drove by the other day Hans Sr. was harrowing what they had cleared. Should have a wonderful crop this year. Oregon's new land has always been wonderfully productive.

Mr. and Mrs. Heiple and son, of Oregon City, were recent callers at the George Ten Eyck home. Mr. and Mrs. Heiple are the owners of the old Art Cavin place which they purchased some time ago. They have seeded it. Heiple is a well known logger.

Other callers to our vicinity were Mrs. Kenneth Eaden and father, J. Bristlin of Redland.

Boring PTA Holds Founders Day Program

BORING — A special program honoring Founders and past presidents was conducted at the Boring PTA last week in the school cafeteria. Accordion solos and duets were played by Mrs. Irene Haugen and her daughter, Diane, age 5. Mrs. C. H. Poppenhagen was appointed chairman on the nominations committee, to be assisted by Mrs. Matt Shields and Mrs. Dave Tillstrom.

The group voted to accept an invitation to be guests of the 'Mom and Dads' club at Sandy high school in March. Plans were approved for a fund-raising candy sale by the PTA, with Mrs. Don Verdoorn general chairman of the program.

Mrs. Shields spoke about House Bill 1124, relating to sex

offenders. Chairman Mrs. Gaye Zimmerman asked Mrs. Van Althausen and Mrs. Al Valberg Anderson to serve the anniversary cake and Mrs. Glenn Zimmerman to serve the anniversary cake and Mrs. Al Valberg Anderson to serve the anniversary cake.

Instead of simply saying "Operator" when we answer the phone, we at West Coast ask "May We Help You?" Both have the same number of syllables. But, we think "May We Help You" is a better way to express the desire of all of us to be of service to you.
