Students 'Go Ape' As Team Takes 3rd

BY NORMAN FOX

It isn't every year that a Sandy basketball team takes third place in the A-1 tournament, so you can expect the Pioneer rooters to show considerable enthusiasm.

Actually, they didn't get too excited; they calmly went ape. After the players had returned to their quarters at the downtown motel, the seething, shouting bus load of students stopped and put up a racket that brought their favorite team out of hiding.

Tourney attendance for Sandy was exceptional, especially when the size of our school is considered. Of the sixteen high schools represented, SUHS was

the smallest. Wednesday, when the home team stopped Hermiston, three buses made the journey from Sandy carrying 118 students. After that, one bus was taken each day for 45, 38 and 38 students to total 239 spectators on buses alone. Many more adults and students made the trip by car.

There are now 94,707 active 4-H Clubs in the United States. These clubs carry on organized work in 3,694 counties under the direction of nearly 11,000 county extension agents.

HERE and THERE with AUDREY COLSON

Well we are all back from the state basketball tournament at McArthur Court in Eugene. The boys won third place in the state tournament and we couldn't be more proud of all these boys and their coach, Jerry Ross. Jerry Ross was carried from the floor to the dressing room by the team Saturday night.

Later, when the next game was over and they were handing out the trophies, Mick Hoffman and Dan Nichols received the trophy that was brought back to our high school. After their sad loss against Tigard on Friday night, the Sandy team came back to win over Astoria on Saturday night.

At half time when our team played, our girls did some half time routines that were very good. Two of our girls did the hula one afternoon and even the coaches didn't leave their seats for a smoke. This brought the house down and the hula was very well done.

If you ever want to go to state and you have Ann Smith along and she talks you into going up to see her sister-in-law, please take your car; don't start walking like we did.

She thought it was only a few blocks from McArthur Court, but it would up that we walked 11 blocks and when we got there her sister - in - law wasn't there and we were so tired that we had to call a taxi to take back to McArthur Court. What a day.
