

Gardens Review

Several new features, designed to make the second annual "Gardens on Review," scheduled April 17 to 21 at the Portland Memorial Coliseum, a gardeners delight, have been incorporated into the overall show theme, reports George Caldwell, show president.

The event is sponsored by the Oregon Assn. of Nurserymen, Inc., Landscape Gardeners Assn., Inc., and the Oregon Florist Club, and is regarded as the largest flower and garden show presented in the Pacific Northwest.

MOUNTAIN GRANGE 926

By RUTH BUTLER

Master R. B. Mount opened the regular business meeting of the Mountain Grange, Wednesday evening April 3. This was the first meeting he attended since their return from five months spent in Yuma, Ariz. Mrs. Mount was ill and not able to attend.

Application for two new members was presented. They will be voted on in the first meeting in May. Master Mount gave a resume of this trip and stay in Yuma.

The Grangers discussed the dangers and perils of smoking to one's health. The Grange is

most interested in helping our young people in this. It is predicted by medical authorities that three million of our young people throughout the U.S. will die of cancer of the lung in the near future.

Carl Neel gave a report of the produce in our U. S. We produce more food than all of the other nations combined, making our food lower in cost; thus we can spend more for other things to make our living better, while other nations have to spend 60 per cent or more for food alone.

Refreshments were served by members of the H.E.C. The ladies of the H.E.C. presented Sister Edna Hoffman with a travel case for a going away present. Edna flew to Sacramento, Calif., on March 31. She will be here with her children, and can be cared for during her convalescence. Bro. Fritz Hoffman left Saturday, April 5 by truck, taking their furniture to Sacramento, where he will manage a service station.

Their place was sold to Dave Owen of Zig Zag. Sister Edna Porter and daughter, Carla, motored to Winslow, Ariz., to attend the funeral of Edna's granddaughter, Mrs. Doris Van Hall. Sister Porter left Sunday afternoon March 31, returning April 6.

Social night was held March 15. Dottie Shoup was in charge of the program. Games were played and prizes given. Refreshments were served by Selma Wilson and Susan McDonald.

Nell's Notes
By NELL HOWE

Saturday, Fritz Hoffman loaded up the rest of their worldly goods, and with the help of Earl and Hazel Kehr, took off on the last lap of his move to California. Edna is already down there and waiting his arrival.

Hazel drove the car, loaded to the hilt; Earl drove the pick-up and Fritz took down the big U-Haul truck they rented for the occasion. Dave and Polly Owens purchased the Polly Owens purchased the well to two more of our local inhabitants.

The school board election for a new board member, for a five year term, will be on May 6. The three candidates are as follows: Tom Day, Chris Meyer and Don Root. So get out and vote for the member you wish to see elected.

Jennie Welch and Bill and Joe Drips took a few days off and made a sight-seeing trip down the Oregon Coast to the California border. The weather cooperated until the last day, and they were on their way home so it created no problem.

Jo Gets Windblown

Jo had her scarf blown off her head at Cape Blanco. Jennie got locked in the rest room in their motel. These new-fangled locks on doorknobs are enough to frustrate anyone.

They should have an instruction sheet posted over the door for the customers' peace of mind. But they had a marvelous time and enjoyed the scenery much.

The Forest Service is at it again. Now that Stan Rapp is getting acclimatized to our community, they are going to transfer him to the Regional office in Portland. First the McAndies and now the Rapps. The Rapps will be moving on May 11.

It hardly seems fair to make us break in a new Ranger just when they are going to start road construction on the new road along the base of Hunchback this summer.

The golf course is now officially opened and a new chef installed for your dining pleasure. His name is John, spelled Jan, and I will not even attempt to spell his last name, because I can't even pronounce it. The food is delicious, and a whole new menu awaits your inspection.

Old "Hi Times"

Dug an old Sandy Hi Times, our school paper in 1932. Big headlines, "Sandy Takes Nine Straight." The basketball team was doing a pretty good job way back. Here's a list of our basketball stars of the 1930's.

Mildan Aubin, Ed Maulding, Marion Duley, Earl Mills, Don Dahrens, Eldon Mills, Jim Knox, George Bruns and "Red" Holt.

We even had a girls basketball team in those days, and believe me we were a rough

bunch. I think that is about the time that they discontinued girls basketball in the high school. Can't understand why we always had so many injuries; guess it was because we were ladies when we donned our trusty gym bloomers. And they were bloomers!

Think we got mean because they laughed at us. Anyhow we won a goodly share of our games, and sure did put on a good show.

Old Time Ads

Some of the ads are ones the old timers will remember: Bittner's Service Station. For Gas, Oils and Greasing or Confections and Lunches stop at Harold Gundersons.

Send your films to Charles Butler, Developing and Printing done for less. 48 hour service. Brockway & Nelson Automotive Service, Sandy Drug Store, Ronald E. Esson PH. & Prop. It pays to look well! Prompt Service at Reed & Steinman's Barber Shop & Confectionery, Milk Shakes a Specialty.

Bruns - Jonsrud Lumber Co. and of course, Meinig's, and Clackamas County Bank, and Scales and the Sandy Market Inc., Brandes and Hoffman Brothers, Dr. H. A. Schneider. See Duke & Proctor for that insurance.

And someone had a yen for Harry Holt and penned off a bit of something:

If I had hair like Phyllis Christensen
If I could handle my eyes like Christine Dunsmaur.

If I had teeth like Nell Bistorsious.

If I had a smile like Dorothy Alt.

If I had dimples like Blanche Jadin.

If I had a complexion like Julia Larson.

If I had a physique like Roxie McCormick.

And a personality like Dorothy Bruns.

Perhaps I would be just the right girl for Harry Holt.

Now I would like to know if Harry ever did find this super bit of feminine pulchritude. I still have my teeth and I hope the rest of the gals have their hair and eyes, etc.

The ones that I still see are still endowed.

Phyllis still has her lovely hair; Dorothy will always have her smile; Roxie is, and always will be, Roxie; and the rest of them I hope to see at our 30 year reunion next month.

Democrat Women

Mrs. Merton Miller, Lake Oswego, will serve as Clackamas county chairman for the statewide Democratic women's conference in Salem on April 17, according to an announcement by Mrs. Richard Long, vice Central Committee here.

The opening session will begin at 10 a.m. in the Marion hotel. Registration fee will be \$1, and the cost of the luncheon \$2.25. Mrs. Miller said.

The "status of women" in Oregon will be the subject of the conference and it will be explored by some of the state's most prominent women in the areas of civil rights for women, political rights for women, equal pay for equal work, and social equality.
