Aims Items— Sunrise Service, Breakfast Set

By MRS. J. A. HAGGSTROM
FR 5-4131

AIMS—The King's Helpers met on March 28 at the Alan Baker home. Two quilts were tied, and the hostess served a delicious dessert.

At the business meeting it was agreed to have the annual Mother's Tea on the Sunday following Mother's Day, (May 19).

This tea will be the last meeting before September. The April meeting (April 18) will be at the L. E. Baker home, and the May meeting (May 16) at the church.

Mrs. L. E. Baker announced that Missionary Koehler (from S. America), who is at his Salem home on leave, will be present at Aims Community church on the morning of April 21 and will show either slides or movies about his work.

The Aims Community club met at the James Baker residence on Thursday instead of Wednesday, in order to hear the Fire Chief of Dist. 14, who kindly made a special trip to Aims and talked to the ladies.

We appreciated this very much, and this is a public "Thanks" for all the nice volunteer fire men on the Corbell - Springdale fire trucks—men who answer in time of trouble.

After he left, the ladies unanimously voted to "pass the hat" in the neighborhood for donations for use by the fire department. Mrs. Baker served dessert, and the ladies talked about, and then tabled the question of a picnic or luncheon for June. This will be settled at the May meeting, in the Plymouth home — Mrs. Plymouth as hostess.

The many who attended the Science Fair, held in conjunction with the regular meeting of the Bull Run PTA, were, as always, amazed at the scientific achievements of even first graders.

The projects ranged from various pets (chickens, turtles, frogs, kittens and a guinea pig) to guided missile research, and vivisection of frogs.

At very interesting, and most of the children knew the "whys" of what they were doing. There were many red third prizes and also several silver second prizes, as well as the coveted gold first — won by Linda Winchester.

The nominating committee read their selections for next year's officers and they were unanimously elected, a committee was appointed to have charge of the annual picnic, and the meeting was turned over to the entertainment chairwoman, Mrs. Belancha, who had arranged for a film on the Bull Run Reserve.

As one who had seen parts of the Reserve, this was very interesting—especially the picture of the newest dam in operation.

Aims Community church will be the site of the Easter breakfast, following the Sunrise Easter Services which (weather permitting) will be held on the L. C. VanAusdell premises in Aims.

Corbett - Springdale will have charge of the services, with Aims furnishing and serving the breakfast. It is understood that the program will begin at 6 or 6:30 a.m. Anyone is welcome.

The Aims Sunday school will present a special Easter program at the regular S.S. time — 10 a.m. — on Easter Sunday.

At Anderson Station— Food Fad Talk Set by Extension

ANDERSON STATION—Mr. and Mrs. Laurence Moline were Sunday dinner guests of Mr. and Mrs. Joe Wooley. The occasion was Mrs. Wooley's birthday.

Tulip Lane Extension unit will have their regular meeting Tuesday, April 16, at the home of Mrs. R. Haselman. The lesson subject will be "Foods, Facts and Fads" led by Mrs. W. D. White and Mrs. Ronald Stewart Sr.

Mr. and Mrs. R. P. Weaver and Debbie spent Sunday evening at the James Weaver home to help little Jimmy observe his second birthday.

The D. G. Wallenstein family drove to Seaside Friday afternoon where they were met by Mr. and Mrs. O. M. Clemensen and children from Seattle. They returned to their respective homes Sunday evening.

Mr. and Mrs. George Burri from Nampa, Ida., stopped here Thursday evening for a short visit with his brother W. F. Burri and wife. Friday they drove on to Coos Bay for the weekend.
