New facilities on NW 1st St. to the Calabria subdivision in West Coast Telephone company's Gresham exchange have been cut into service, the company reported today.

West Coast Division Manager Curtis L. Straw of Gresham said that company crewmen had completed installation of underground cable in existing conduit along First, Wal-lula, Fourth, Belevista avenue, Seventh drive, Sixth drive, Cascade court and one unnamed street in the Calabria subdivision.

Straw said that company surveys indicate that the facilities will be called upon to provide 190 new or regarded services in the area through 1965. The project involved expenditure of \$16,590.
