member of the American Society of Ichthyology and Herpetology, contributing from his layman's point of view. He even had one rattler that loved rats, and three generations were raised in its enclosure. And, when they were taken away, it seemed the snake was lonely.

There's been fun for Hanson in taking care of the animals and reptiles, but he's had some anxious moments — doctoring

a tortoise close to pneumonia and tending a bruise on a rattler snake's nose after it had struck and hit the glass. Trimming those porcupine toe nails was no snap either, even with the sedative, he added. He's treated scratches, abrasions, upset stomach, fungus — the list could go on and on.

His interests don't stop with animals and reptiles, he collects fossils and rocks. One of his daughters has a large sea

shell collection too.

The upstairs of the Hanson home, formerly the fireplace lodge, is devoted to animals, rock and shell collections and jars of preserved snakes—the friendly Algerian sand viper is there.

"And don't be surprised if you drive by and see an elephant sticking his head out of the upstairs window, someday," Hanson warned — "We won't."

Rhododendron Theater Offers Sponsorships

The Rhododendron Summer Theater, which plans to open Saturday, June 29, with the "Yum Yum Tree," is offering people of this area the opportunity to join the Theater Assn. as sponsors for the 1963 season.

Businesses and individuals who contribute \$10 or more will be listed as sponsors on the theater program.

Sponsors will receive two season tickets good for four admissions in the front area reserved seat section. The box office value of these admissions is \$9.60.

Funds raised will be used for improvement to the stage and seating area of the theater.

The Mark Allen Players will present "The Yum Yum Tree" each Saturday night beginning June 29 until August 3, when they will present "Two For the See Saw." Friday nights will be held open for large groups.

The current play will be presented each Friday that blocks of seats are purchased by clubs. On These Fridays there will generally be seats available for the public also, though it is suggested that persons wishing to attend on Friday phone William Spencer at the Log Lodge, Hood-Land 723, to make certain there will be a show that night.

The theater is under cover and is located adjacent to the Log Lodge at Rhododendron.

TWO CARS DAMAGED

A station wagon driven by Thomas E. Steffl of Sandy received extensive front end damage at the intersection of Clover and Proctor avenue Sunday afternoon. Neither Steffl nor his four children who were with him were injured. The other car, driven by Billy Woods Hillman of Portland, was also damaged in the front end, but there were no injuries.

Mr. and Mrs. "Whimpy" Eri attended the party held for Sue Emra at the Emra home after her graduation from high school Friday. Lila said there was plenty of food and too many people for her to remember and when I tried to phone Mr. and Mrs. Emra their phone was busy so I cannot give the names of those who were there. I'm sure there were lots of parties given for all the kids who graduated. They should have phoned me if they wanted it put in the paper.

Have you been stopping to get your tickets for the 1955 Ford Station Wagon to be given away this summer at Bob Reed's Richfield Service Station at Kelson? You better or I may win that car yet.

Also, have you stopped in Kelson at the C & H Furniture and Upholstering Shop in the old Eri Store. They do a good job of upholstering and also have lots of used furniture. Stop in and browse around—you might see something you have been wanting.

The Summer League of Bowling is in full swing now, with everyone trying to out-bowl the next person. Our Monday night girls league started with full speed ahead last Monday and we are having lots of fun.

Ruth Davenport is our president, Rita Oldenkamp, vice president, and Betty Chestnut, secretary. We may not be good but we're trying hard.

Celebration Set
 The big event a lot of us

are looking forward to this year is the big Sandy Celebration the middle of July. I will run briefly through the events this week and try to dig out more information for next week's paper.

First there will be a big parade Saturday morning; there will be some wonderful Gokart races, then Saturday night there will be the Gay-Way Street dance and the Carnival will be all afternoon and night of Saturday Sunday will be the annual Kiwanis Fly-in Breakfast.

It seems to me like a wonderful weekend will be planned for us to have fun. We are looking forward to July. Also the first of July the Summer Recreation Program will start.

Our church is looking forward to next Sunday when Capt. Phillip Hampe, U. S. Air Force, will be in the pulpit. Hampe was our pastor from May 1953 through February 1956, at which time he was called to active duty as a Chaplain with the Air Force.

This visit marks the 10th anniversary of Phil's ordination to the Ministry and Installation as pastor of the Sandy Community Presbyterian church. During their stay in Sandy, Phil, his wife Marj, and sons Peter and Andrew will be the guests of the Glen Olsons.
