Nell's Notes

By NELL HOWE
Hood-Land Reporter

Bill Goldthorpe was hit by a log, while working in the woods, and is in the Gresham Hospital. He has a broken back, 5 broken ribs a broken shoulder and a concussion. He is coming along as well as can be expected, but will be a long time before complete recovery. Our very best to Bill for a speedy recovery.

The first Master-Point tournament for the Mt. Hood Country Club Bridge Club was held June 3 at the clubhouse. There was a no-host dinner preceding the affair, and several Gresham and local players enjoyed the good food.

North-South winners were Mrs. J. D. King of Portland and Mr. George Kaye of Welches. East West winners were Mrs. Mary B. Woods of Portland and Mrs. Arthur Lee of Gresham.

Nine tables of players eager to win their master point enjoyed the duplicate play. When a player wins his first master point he becomes a Junior Master. This event will be held on the first Monday of each month. All interested bridge players are welcome. It is not necessary to be an "expert" to enjoy the competitive fun. Everyone is welcome to join the game.
