There will be a gala "fun day" at the Oral Hull Park next month, with airplane rides, cart rides and square dancing to the music of the "Twilighters," according to Judge George Howeller and members of the board. A committee is presently working out details of the day's activities and planning the food, which will be furnished by different organizations.

The Oregon National Guard has promised to have a helicopter at the park that day so that the blind who attend will be able to "see" one.

All interested persons are invited to come out to the park any time between 12 noon and 6 p.m. to see the 20 acre site and hear the music of the talented young people, all of whom are blind, who comprise the "Twilighters."

Membership cards in the Oral Hull Foundation will be available to those who wish to purchase them. Sustaining memberships are priced from \$1 up to whatever the individual wishes to contribute.

The Oral Hull Foundation board will meet again on July 6 to finalize plans for the event.

Poultry Men Hold Meeting

The United States Poultry and Egg Producers Assn. held the first western regional meeting in Oregon City recently.

Featured on this program was Dal Ferry, executive secretary, who explained that this is the only nation-wide organization for poultry producers and it was founded on the basis of providing poultry meat and egg producers with a national voice.

From grain so light to pleasure bright

IN OREGON

BEER IS A NATURAL

From nature's light grain comes sparkling, light beer... Oregon's traditional beverage of moderation—it's light, sparkling, delicious.

And naturally, the Brewing Industry in Oregon is proud of the more than one million tax dollars it contributes to the state of Oregon each year—money that helps support our schools, our hospitals and our parks. In Oregon, beer belongs—enjoy it.
