Boy Drowned In PGE Flume

A 9-year-old boy drowned in a discharge flume at Roslyn Lake last Sunday, when he apparently was drawn into one of the discharge tubes in the catch basin of the PGE reservoir.

The boy, Carl Lawrence Gohrer, was the son of Mrs. Margaret E. Hinton, Portland. He was the oldest of six children. Sheriff's officers said the

boy, who was playing with his small brother, apparently climbed over the fence that surrounded the catch basin and fell into the water.

His body was recovered by a skin diving team of Wilbur Riggs and Bob Graham, members of the Clackamas county under water rescue organization, who went to the site after the mother spread the word of the tragedy.

Bodleys Observe Golden Anniversary

Mr. and Mrs. Victor Bodley, who have lived some 43 years in the Dover area, observed their golden anniversary last Sunday with a reception for friends and relatives.

(Sandy Post photo)

Mr. and Mrs. Victor Bodley observed their 50th anniversary Sunday when they were honor-

ed with a reception at the Sandy Grange Hall at Kelso. The occasion was also a family reunion of Mrs. Bodley's family, the Morrisons.

There were 92 guests on hand to congratulate the Bodleys on their golden anniversary. The farthest away guest came from Canyonville, but others came from Cottage Grove, Eugene, Beaverton, Sherwood and Vancouver.

Six Morrison brothers and sisters who had not been together in years were on hand to offer felicitations. They were Carrie Schmeltzer, Verma Stroe, Lulu Milne, Harry Morrison, Jay Morrison and Leah Bodley.

Four Bodley brothers were present: Harry, Royden, Donald and Victor.

The Bodley's son, Wayne, attended on crutches, due to having injured his foot between two logs the previous day.

The beautifully decorated cakes — three flat cakes and a tiered one — were baked and decorated by Mrs. Bodley's niece, Wilda Guthu, who is a home economist. She also cut the cakes at the reception.

Jessie Miller poured coffee and a niece, Katherine Young of Portland, handled the punch bowl. Mrs. Bina Perret received the guests at the door.

Mrs. Wayne Bodley planned the party and took charge of the many lovely gifts the couple received. Carol Wolf was in charge of the guest book.

The Bodleys were married July 30, 1913, at their minister's home in Portland. Bodley was employed with Southern Pacific for some time. He was an acetylene welder at the shipyards during the war years.

The Bodleys have lived in the Dover area for about 43 years and are the parents of two sons, Robert of Eugene and Wayne of Sandy.

Fire Destroys Home at Dover

Fire gutted a home in the Dover area last week, destroying all the possessions of the Art Pagets who were living in the house. They were, however, away from home at the time of the fire. A grandson who was staying with the couple also lost all his things.

The fire, which was reported by a neighbor, had evidently smoldered for a lone time, then exploded into flames. All the Sandy fire equipment went to the fire, including the first aid car.
