Farmers are planting almost none of the commercial crop varieties they produced 25 years ago. This is a good indicator of the speed with which research is put to use.

Walrad Insurance Notes 35th Year

Walrad Insurance Agency this month marks the 35th year since the business was established in 1928 by Burton Walrad.

The firm has grown from a one-man agency to its present staff of Walrad and partner David W. Hansen, salesman L.M. "Spike" Emerson and Jack Holmes, plus two bookkeepers and four general office girls, a total of 10 persons. And the firm has its own spacious building at 105 N. Roberts Ave. in downtown Gresham.

Walrad didn't wait long to go in business for himself after graduating from Gresham high school in 1921. The next year he started the Gresham Transfer Co.

For six years he operated a general hauling and contract business, selling out in 1928 to go into insurance.

As a young general insurance man he concentrated on developing his "home base" in the Gresham-Sandy area. But he also traveled to many logging camps in Central and Southern Oregon to service accounts of logging firms.

Dave Hansen joined the firm as a partner in 1956. The two salesmen are Emerson, who serves the Sandy, Boring Estacada and Hoodland area, and Holmes, a University of Oregon graduate formerly with the Crown Zellerbach sales staff in Los Angeles. Emerson went to work for Walrad nine years ago after 24 years with the Corbett school system.

Walrad and his wife LaVerne, who were married in 1926, live at 590 Wallula in Gresham. He is the only charter member of the Gresham Kiwanis club with an unbroken record of membership. He was the first president of the Gresham Chamber of Commerce, serving in 1931 and 1932.

BURTON L. WALRAD
DAVID W. HANSEN

Dear Friends:

Thirty-five years have passed very rapidly with new freeways and the tremendous growth in population. This area is undergoing many changes and we are proud to have been a part of this progress.

August 1, 1963 marked our 35th year in the insurance business. While this great growth was taking place, you, our loyal friends and neighbors, were helping us build an insurance agency.

Through the years it has been our goal to give you the very best insurance coverage that is available, and with this, service unequalled by any other insurance agency. To perpetuate our agency with younger manpower, Dave Hansen became a partner in the Agency in 1956. Spike Emerson is in Sandy and Jack Holmes serves the Gresham and East County District. With these men in the field, and a qualified staff of girls in our office we can continue to give you the best service possible. It is our sincere hope, that with excellent personnel and your friendship, we may continue this service to our mutual advantage throughout the years to come.

It is with real pleasure that we invite you and your friends to attend our open house on Friday, November 22nd. Refreshments will be served 10:00 A.M. to 5:00 P.M.

Cordially yours,

*Burton Walrad
Dave Hansen*

It goes without saying that we're pleased and proud to have played a part in not only the growth of Walrad's, but also the entire East County area.

Agencies like Walrad's are the real reason for any success we've enjoyed . . . and Oregon Mutual has been serving a growing army of policyholders since 1894.
