## Obituary

MRS. MINNIE PROCTOR

Private vault interment was at the Forest Lawn Cemetery.

Funeral services were held at the Bateman Funeral Chapel Wednesday, Nov. 27 for Minnie Evelyn Proctor, 71, of 118 Pleasant St., Sandy. She was born in Grinnell, Kans., and moved to Oregon as an infant. Her family settled first in the Pleasant Home area for a short time. They moved to La Grande, but moved back to Pleasant Home when she was 7. She attended Orient grade school. She was a member of the Sandy Grange and also a charter member of the Sandy Eastern Star but had not been active in these organizations for the past few years.

She married Fred L. Proctor, Sr. Nov. 20, 1912 at Portland. He preceded her in death on March 25, 1962.

She is survived by two children, Mrs. John (Arletha) Mills, Sandy, and Fred L., Jr., Boring; a brother, Lawrence Layman, Colorado, a sister, Mrs. El Surber, Boring, six grandchildren and one great grandchild.

MRS. WILLIAM R. LIEHR

Mrs. William R. Liehr, 79, Indianapolis, Ind., died Nov. 25 at a local hospital, after a brief illness. She was born Florence Mae DeSanno at Indianapolis. She spent all of her life there. She was a member of the Evangelical Reformed Church, Indiana.

She and her husband had been in Oregon about two weeks, visiting relatives in Sandy.

Surviving members of her family include her husband, four grandchildren, 12 great grandchildren, and two great great grandchildren.

The body was forwarded to Harry Moore funeral home, Indianapolis, for funeral and burial interment. Arrangements by Carroll Funeral Home.

## Student Enrollment Increases

(Figures, of course, are not yet available for the current academic year. However, it appears certain that the county breakdowns of Oregon students will be up over last year's figures since both the total enrollment and the ratio of in-state students are up for the first quarter.)

Clackamas county had 1531 students enrolled, some attending each of the nine institutions, in the Oregon State System of Higher Education as follows: U of O, 265; UOMS, 37; UODS, 19; OSU, 184; PSC, 749; OCE, 43; SOC, 4; OC, 6 and OTI, 25.

Call the roll of Oregon's 36 counties - from Baker and Benton through Wheeler and Yamhill - and you will find that all are sending students to the colleges and universities in the State System of Higher Education.

In fact, 19 of the counties had students at each of the nine schools in the system last year. Seven counties had more than 1000 students each enrolled in state colleges and universities in Oregon.

One had nearly 9000.

These are some of the findings about home-state students provided by the institutional research division of the Office of the Chancellor, based on 1962-1963 cumulative enrollments.

Freeway driving can be fast, pleasant and safe. The Portland Traffic Safety Commission suggests the following tips for safe driving on the super-highways: (1) Keep up with traffic. The slow driver in high speed traffic is a hazard to everyone on the road; (2) If you must stop, signal for a right turn and pull completely off the road; (3) Pick your lane and stay with it. Weaving and lane changing are especially dangerous on the freeways.

## MOUNTAIN GRANGE 926

By RUTH BUTLER

Social night was held at Mountain Grange, Wednesday evening, Nov. 20. This was a planned pot luck dinner, a going away social affair for The Mounts. They had planned to go to Yuma, Ariz., again this winter. Every one was saddened on arrival, learning our dear Bro. Mount had passed away that morning. It was decided to have our social night as we had planned, knowing this would be our Master's wishes.

Selma Wilson, (master) was in charge of the dinner, she and sister Mount were to be hostesses that evening. Visitors, Master Weber of Pomona Grange, Sister Weber Chaplain of Pomona, Bro. Bailey and Sister Foley, all of Central Grange, Bro. and Sister Ludi and son Robert of Sandy Grange, Sister Ludi is secretary of Pomona Grange. Mrs. O'Brian and Gladys Slack accompanied, Sister Luzan. Sister Shoup brought her mother-in-law, who is visiting here from Michigan.

Other visitors were Emma Neels and Marjorie Allen. Community singing was held. Mrs. O'Brian played her steel guitar. Sister Wilson and sister Shoup played selections on their accordions. Bro. Rogan and Bro. MacDonald played their harmonicas. Lecturer, Sister Butler, had a questionnaire game of current events. Prize winners, Bro. Ludi, Emma Neels, Bro. Bailey. He also is one of our oldest members having reached the age of 97.

Sisters Weber and Ludi and Bro's. Weber and Ludi, gave talks on the events of the National Grange held in Portland the previous week. Mountain Grange members taking the 7th degree, were Bro. and Sister Conner and Sister Butler.

## work smarter (not harder)

By BERNICE STRAWN  
OSU Extension Service

Do you look upon housework as drudgery and a thankless job? If so, you use up three to four times as much energy as is actually needed to do the work, according to recent research.

Mental attitude makes the difference. Those who view homemaking as a labor of love gain satisfaction from providing for others and escape emotionally-induced fatigue. It's really worthwhile to look for the brighter side.

For instance, spandex, available under different trade names, should not be washed with chlorine bleach or it will yellow. Originally, machine washing was suggested, but now they feel that hand washing will result in longer wear.

It's true that spandex is stronger than rubber. Covered spandex is stronger than bare fibers. The bare spandex power nets are likely to be weak at the seams.

Does rainy weather make doors stick in your house? Good old home remedies such as wax, soap and oil usually help at first, but sometimes become messy. You might also try one of the silicone products. These take the squeak out of hinges and make doors and windows slide more easily.
