

Women Will Observe World Day of Prayer

World Day of Prayer will be observed this Friday, Feb. 14, from 1 to 2 in the Community Presbyterian Church.

World Day of Prayer has been traditionally observed on the first Friday of the Lenten season, and is sponsored annually by United Church women. Now, this day is observed in more than 22,000 communities in American and in 150 countries around the world, uniting Christians in a bond of prayer for a better world.

The Sandy Grange met Feb. 8, in the Grange Hall at Kelo. An all day meeting with potluck luncheon at noon was enjoyed. Don Hatton, Clackamas County Assessor discussed the green belt law, county taxes and their disbursements. A memorial service was given for Verna M. Strobe, who had served the Sandy Grange 32 years as secretary.

SANDY GRANGE

Betrothal Revealed

Mr. and Mrs. Arnold Bakke, Rt. 2, Sandy, have announced the engagement of their daughter, Judith, to John Thompson, son of Mr. and Mrs. Francis Thompson, of Raymond, Wash.

Judith is a graduate of Columbia Academy at Battleground and is currently employed as a nurse's aid by Orchard Crest Nursing Home in Sandy.

John is employed by an optical company in Seattle and is a graduate of Auburn Academy.

No definite date has been set for the wedding, but it is planned for early summer.

Safety Group Sets Meeting

Mt. Hood Industrial Safety Committee will hold their next regular meeting, a no host dinner, at Ann's Cafe Tuesday, Feb. 18, at 7 p.m. Joseph Haystead of the Oregon State Police will speak on safety in log hauling and highway safety. The public is invited to attend the meeting.

RANGING ZIG ZAG

By ELLEN STAUFFER, Hood-Land 117

Last weekend was a most informative and educational one for me it seems. First of all, we went to see the dog sled races at Government Camp; something which I had only seen on Sergeant Preston of the Yukon. Eight dog teams of five or seven dogs to a team raced from the Summit Station to Trillium Lake and back. It surprised me to see the numbers of persons interested in this sport as there were entrants from Oregon, Washington, and California.

Our next stop was to do some skiing where again for the first time I saw a slalom race and some ski jumping. The race was held for both men and women at Multipor on Saturday and Sunday.

Finally, I learned that the next time I buy a duck to roast, I won't buy one. With a five pound duck thawing in the refrigerator, I invited two people

for dinner. The horrifying part came when the duck was carved and there was not enough meat to go around. Thank heavens for bread and potatoes.

Visiting for a short time with Ginny and Pete Wingle was Ginny's mother who recuperated fine from an operation while here and then her father arrived last week. Both have left now and have driven back to Chicago.

There were no 200 games bowled last Thursday, but to me, my first 150 game seemed just as important.

SERVICE LINES

AF VETERAN RETIRES
Master Sgt. John F. Reynolds of Rt. 3, Boring, has retired from the Air Force after 22 years of active military duty. Sgt. Reynolds, who was assigned to the 449th Bomb Wing at Kincheloe AFB, Mich., as an aircraft radio maintenance supervisor at the time of his retirement, is a veteran of World War II with four years in the Asiatic-Pacific area. He also served in the Korean War.

So classic in tailoring, they just can't miss as the perfect gift! Dacron® polyester and cotton with Bermuda collars or convertibles! Floral printed combed cotton! All with roll-up sleeves! Start hinting now!

New Ideas Spice Sweetheart Ball

One of the year's big dances will make its bow at Sandy high this Saturday when the music department opens the doors for the Sweetheart Ball.

The ball will be spiced with several ideas which are new to SUHS hops, one of them being the girl-ask-boy policy that was adopted in view of the leap year season.

Also, a boy and girl from each class are running for King and Queen of Hearts, and the winners will be crowned at the ball following the balloting at the door.

As an added attraction, the dancers will have a chance to rest their tired feet and be genuinely entertained midway through the evening. A half-hour variety show is scheduled for the intermission time, featuring a prominent barbershop quartet, the Snow-Bawlers, with some Sandy high musical talent and some talent from Portland area schools.

A gigantic heart-shaped cake will serve a double purpose for the evening. First, it will be the center of the valentine motif decorations. Then, it will serve as refreshment for the hungry dancers.

Tickets have been on sale all this week for \$1.25 per couple, and may be secured for that amount at the door. The semi-formal affair will begin at 8 p.m.

HEADQUARTERS FOR Valentine Candy

Whoever you're remembering on Valentine's Day—wife, sweetheart, parents, youngsters—give candy... the gift everyone enjoys.

Timber Sales Set Record

Timber harvest in the National Forests of Oregon and Washington in 1963 reached an all-time high of 4,704,000,000 board feet valued at \$84,334,316, according to J. Herbert Stone, regional forester, U. S. Forest Service.

A total of 5,639 sales were involved. This does not include sales of miscellaneous forest products such as Christmas trees, boughs, ferns and cones.

The total volume removed from the forests is 300 million board feet greater than in 1962, which also was a record year, and value was \$4 1/2 million above the previous year's total. One-fourth of the receipts from timber, as well as receipts from other resources and uses, are returned to the counties in which the National Forests lie, for use for roads and schools.

Timber sold in 1963 amounted to 6,107,000,000 board feet with a value of \$105,855,059, also a new record. Volume of timber sold varies from the amount cut during the year because the period in which a sale of timber is cut ranges from a few weeks or months to several years. Estimates of volume sold are based on intensive surveys which are made for each sale.

Past Noble Grand's Club Will Hold Meet Monday

The Past Noble Grand's Club of the Sandy Rebekah Lodge will meet at Sadie Bosholt's home, Monday, Feb. 17 at 8 p.m.

Something machines will never replace

There's \$94 million worth of automatic equipment and other facilities in your West Coast Telephone system, all of which help bring you efficient telephone service. But no machine can replace the skill and judgment and experience of the 1900 people who make your West Coast Telephone system work. None ever will, because a machine cannot smile and say "May we help you?"
