

Sandy BPW Club

The Sandy B.P.W. held their dinner meeting at Obles in Portland Wed., Feb. 5, with 25 members present. Guests were Louise Norcross the state president, Susan Gantenbein and Rose Cortes.

This was the world affairs meeting with Sara Berger as chairman. Rose Cortes, a foreign student who resides with her American parents, Mr. and Mrs. Ralph Hames, Sandy, gave a most interesting talk and several dances pertaining to her country.

Also Susan Gantenbein showed pictures of her visit in Turkey last summer telling all the interesting things and events of the trip.

Both girls were dressed in costume for the countries they represented. The table decorations were carried out in this theme, and members were asked to interview each girl.

Ardis Green, president BPW, asked members to keep the fashion show in mind for March 11, 8 p.m. in the high school auditorium.

Three Complete Army Duty Tours

Jim Lane, Gary Lenz and Jim Redmond, who enlisted in the Army together, have completed their tours of duty and have returned to the Sandy area. Jim Lane and Jim Redmond were stationed in Munich together and Gary was stationed at another base in Germany. All three young men are graduates of Sandy high school.

Jim Lane is the son of Mr. and Mrs. Dale Lane of Redmond, Ore., Gary is the son of Mr. and Mrs. Bill Lenz of Sandy and Jim Redmond is the son of Mr. and Mrs. Vern Redmond also of Sandy.

Starts Friday

Passing the Buck

By Jeannie Hendon

Well...here we go again with news from good old Sandy High. It's great to see Milt Marcy back in school. Only wish that he could play and help out boys on the basketball team when they go to state. I sound awfully sure, don't I? Well...I've got confidence in those guys... They'll make it!

Four new students have enrolled since last week. They are: Frances Allan, Kenneth Allan, and Iris Christianson, all sophomores, and the one new freshman, Joyce Palmer, brings the total number of students at SUHS to 718.

At the recent student council meeting, students voted to donate \$20 to Marjane Meier's Memorial Fund. They also agreed that at the end of the AFS contest, a few students from each of the losing classes will put on a 3 to 5 minute skit.

Last Thursday, Mrs. Eleanor Hermanson took her journalism I and II classes on a tour of the Gresham Outlook and the Oregonian newspaper buildings. After this, the group descended upon the Crown Zellerbach paper mill out at West Linn, (this proved to be very interesting.) We all would like to thank Mrs. Loretta Bender, our bus driver, for putting up with our jawing and jabbering to and from our destinations. Gail Maroney and Russ Dobson were chosen as February boy and

girl of the month. The quality for which they were chosen is friendliness.

Thirteen of the 77 students on the semester honor roll, received highest honors. We have some pretty smart kids at SUHS, Don't you agree?

CLUB NEWS
Officers for the newly formed Quill & Scroll honor society are as follows: President-Ken Enz; Vice President-Diane Root; Secretary-Margaret Robinson; Treasurer-Judy Traxler; and Reporter-Marlene Jones. The club has two new members, Deda Hawkins and Norman (cold ears) Fox.

The annual wrestling-basketball court dance, scheduled Feb. 28 will be sponsored by the Junior Chamber of Commerce club. Decoration preparation is now in progress, (hey... that rhymes).

AFS members are in the process of making bright blue vests for themselves to wear Friday, February 21, when foreign exchange

students will visit at Sandy. The members also plan on wearing their vests at the AFS spaghetti dinner which will be held at the high school cafeteria, Feb. 22. **CLASS NEWS**

Biology I students dissected and memorized the inner parts of earthworms last Monday. Gee! A worm is so exciting!

Students in speech now have the chance to legally talk and express themselves in class. They are discussing going steady, and the society that the teenager lives in today, also various other topics. According to Mr. Charles Croston, school board members have made no comment about the student petition, that Ken Enz circulated concerning freshmen playing varsity athletics.

Oh...by the way, I did a little investigating (or rather someone told me) and found out that Debbie Reich is the one who gave Norman Fox his ear warmers. How about that? Another nut at our high school!

Fire Department, Auxiliary News

Telephone stickers, with the number of the Fire Department and Ambulance, and a space for your doctor's number, are available, free of charge, from members of the Department and Auxiliary.

Donations to the ambulance replacement fund were received last week from Mr. and Mrs. Clarence Brown, Sandy, and the Firwood Extension Unit. The Fire Department made a donation to the Memorial Ambulance Fund in memory of George Hoar.

The collection of eye glasses

and sun glasses for "Eyes for the Needy" is growing and several pairs were received during the past few days. Glasses may be given to members of the Department and auxiliary, or left at the fire hall.

Posters made by students of the Sandy grade school have been completed, and will be put on display by the Department. The youngsters made the posters as a donation to the ambulance fund.

2/9 -- Albert Haggstrom, Alms, was taken to Gresham General by Juanita and Jiggs Conn and Bud Fischer.

Many people would not know the first thing to do at a moment of bereavement. Call us and we will assist and advise you.

In Oregon... after bowling, beer is a natural

After you've bowled a game or two, or when you're winding up the evening at the neighborhood bowling center, it's good to relax with friends and compare scores. What better way to add to the sport and the sociableness than with a refreshing glass of beer? However you take your fun—skiing, skating, or at your ease in the game room—beer always makes a welcome addition to the party.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom—and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

In Oregon... beer goes with fun, with relaxation
