Hood-land Happenings
 By The Snooper

Thank you for your letters. It pleased me to hear that you are enjoying the column. This is encouraging and I will do my best to continue "snooping" for you.

A special "thank you" to Clarence and Maxine Clarendon of Brightwood, for their nice letter and kind words. Will follow up on your news items next week.

It was brought to my attention that capitalizing the names of people would be a good idea. This would make it easier to skim through the column to read about the people whose names you recognize. I gave this suggestion much consideration and decided against it. I would rather you read the entire column than just skim through it.

This little gem was received at the Sandy Post and since it tickled the funny bone of the editor, and also yours truly, we decided to share it with you, word for word. ("To the Editor of the Sandy Post - (Tongue - in cheek Dept.) "It occurs to me that I dare not follow the Sandy Merchants' promotion' to buy first in Sandy! My purchases might become newsy little items by "The Snooper". So away we goo--- to Eastport Plaza. Mrs. P. J. Bernard, Sandy, Ore. Could it be that you Mrs. Bernard, received one of the black nighties mentioned in a previous column????? We are pleased that you took the time to write and will be looking forward to hearing from you again.

A surprise birthday celebration was held at the Elks Club in Vancouver in honor of Mrs. Wil-

liam (Mildred) Gulick of Rhododendron. Attending from Hood-Land were Mr. and Mrs. Frank Simmons and Mr. and Mrs. Jack Collier.

A dinner party for Gloria Gaulke, in celebration of her birthday, was held at the home of her parents in Wemme.

Speaking of birthdays, reminds me of a group of gals in Brightwood, who formed a club about ten years ago to celebrate theirs. They have a party for each member's birthday. Included in the group are Hazel Plaster, Maude Sladky, Irene Schulthess, Addie Perry, Mary Bouray, Thelma Riggs, Maxine Hickey, Clara Lehotka, Mrs. Henry Steiner, Mrs. Jonathan Richmond, Mrs. Jay Small and Mrs. McDonald. Next in line for a party, are Maud Sladky and Thelma Riggs. Happy Birthday gals!

Neighbors of Mrs. R. B. Mount are glad that she has again returned to her home in Brightwood. Miss Lynn Kehr is also back in Brightwood after a two month visit with friends and relatives in California and Iowa. Lyn is now back on the job at the Zig Zag Inn.

Mr. and Mrs. Hank Geisler of Portland are anticipating the completion of their lovely new home at Welches. They will be week-enders temporarily, then will make the "big" move in the spring.

Mr. and Mrs. Merrill Buck of Portland, entertained the Portland Police dept. at a picnic in Brightwood. This is an annual affair at their lovely home on the Salmon River. "Yours truly" hopes no-

one needed a policeman in Portland last Sunday as it looked like they were all in Brightwood.

At last Brightwood is getting a much needed new bridge over the Sandy River. The bridge is now under construction.

Mr. Frank Hancock of Portland has purchased property next to the Lions Hall in Wemme with the intention of building a Drive-In Theater next spring. (Please don't change your mind Mr. Hancock, I think it's a great idea!)

Bowmans Mt. Hood Golf Club was the scene of a golf tournament for 200 Royal Rosarians last Sunday. (Where were your white suits fellows? I didn't recognize you without them.)

The Hoodland Womens' Club, Inc. would like to have "anything", that you don't want. The gals are having a rummage sale in September, to add to their growing building fund, for a community recreation center in the Hood-Land area. Call Sally Hurlbutt at Hood-Land 549 to arrange for pick-up. August is a dandy month for "spring cleaning"! There will still be plenty of time to get dirty again by spring. (Tell me girls, has anyone stepped forward with a donation of property for the community center yet??? Hint, Hint.)

Seen dining at the Mt. Hood Golf Club; Deanna Jordan formerly of Arizona and Harley DeGraff of Portland. Was it business, pleasure, or both???

Dr. and Mrs. Elton Leavitt, of Sandy, were also spotted enjoying the pleasant atmosphere with friends, at the club.

Dr. and Mrs. Roy Carothers, Dr. John Huston, Hank Geisler, and Dr. and Mrs. Esley Davis formed another happy group for dinner at the club, Dr. and Mrs. Davis, of Portland, are "Beatle" bound! They have tickets for their family to see the "Beatles" in Vancouver, B. C. on Aug. 22. Aren't you just green with envy?? No? How about your kiddies?? Different story, I'll bet!

The executive group of the Chefs de Cuisine Society of Oregon has selected the Mt. Hood Golf Club for a "Chefs choice" dinner on Sept. 7th.

Moon Mullen was seen around the mountain again last week-end in the company of those lovely twins from Portland, Estelle and Esther Wiks. Must be romantic, Moon, but how can you choose between them??

The world is getting smaller all the time! Mr. Lowell Edwards of Santa Ana, Cal. and Brightwood, leaves the Portland Airport on a jet and flies straight through to the Los Angeles Airport, hops on a helicopter and lands on the Santa Ana Golf course in exactly

two hours. Hard to believe, isn't it?

If you've noticed the attractive new blonde around Brightwood, take another gander. It's Public Stenographer, Dottie Shoup. Dottie returned from a trip east with a most becoming "new look". Better find something to be typed or notarized, fellas, and go stand in line. Let me know, Dottie, if it's true. Do blondes really have more fun? *

Several Hood-Landers are away on interesting trips, but we are waiting for their return home before putting it in the column. If you don't see a news item that you have directed to our attention, right away, keep looking, as it will get in eventually.

For those who have asked that the names of "The Snoopers" reporters be re-printed, here goes: Janet Hill in the Brightwood area, Vivian Collier at Zig Zag, Boo Gaulke at Wemme, Georgla Vermaas or Eileen Anderson at Rhododendron, Dorothy Devecka at Government Camp and Margie Carothers in Sandy. These gals are all listed in the Hood-Land phone book. They are all busy gals, so if you are unable to contact one of them, try another ones' number.

In case you are new to the area and unfamiliar with the above names, I'll clue you in on how to get your items to us the easy way. First thing you do, is stop in at the "Brightwood Grocery Store" and Janet Hill will help you. Buy a piece of hard candy. Oh dear,

did you break a tooth? Margie Carothers is a dental assistant in Sandy and will help you there. What, you say the dentist was careless and got blood on your clothes! Better head for the "Washing Well" in Rhododendron and meet Eileen Anderson there. Now that you're clean again, you can stop at the "Zig Zag Inn" for lunch and Vivian Collier will serve you. Feeling better now? How about a little golf. The best golf course on the mountain is, definitely, Bowmans Mt. Hood Golf Course. After the golf game, a bit of refreshment would be nice. Go into the restaurant and have a cup of coffee and a big piece of cake or pie. Isn't it good? Stop in the bakery before leaving, and meet Boo Gaulke.

She makes all the goodies for the golf club. Be sure to step into the kitchen and say "hello" to Dorothy Devecka too. Getting weary? Head up the mountain to "Rhody" again, and across the street from the "Washing Well" is the "Forest Haven Motel." Check in, and meet Georgla Vermaas. Now wasn't that a simple way to get acquainted with The Snoopers' helpers?

My goodness, you mean to say that after meeting them all, you forgot to give anyone the news item that you wanted to have "The Snooper" put in the "Hood-Land Happenings" column? Well it might be easier, at that, to drop us a line at the Sandy Post!

In all seriousness, I would like to express my appreciation to the gals for all their help in gathering up the material for the column. It would be impossible to cover the entire Hood-Land area without them.

Have you heard about the French negotiating to buy the Rock of Gibraltar? The story making the rounds is to the effect that they've pulled off the deal and hereafter it's to be known as the Rock of Gibraltar, but "De Gaulle Stone."

Bye now.
 "The Snooper"

John W. Ludi, son of John A. Ludi, Rt. 2, Sandy, commissioned an Army second lieutenant in Infantry through the Eastern Washington College Reserve Officers Training Corps program, has his bars pinned on by his wife, Kay. Ludi, a 1959 graduate of Sandy Union High School, also received a bachelor of arts degree in industrial arts from EWSC in summer quarter commencement exercises.
