"Making the Sandy Scene"

Kathleen
O'Brien

MU 7-4063

Following mention last week of the Sandy High choir including "Hospodi Pomilui" in their selections for the recent Choral Festival, I received a note from Mrs. P. J. Bernard regarding the chant: "Hospodi Pomilui or Gospody pomilui" is part of the Eastern rite of the Byzantine Mass, and means the same as the Roman rite Kyrie Eleison - "Lord have mercy" -- very old, very beautiful! ... and very interesting!

Winners announced in last Saturday's drawing at 3 Boys Market were: John Vanes - Sunbeam electric frypan; Mrs. L. E. Gifford - Sunbeam electric knife; Hazel Turner - Sunbeam electric toaster; Leroy - Russell - Schwinn bike; and Harriet Warner - the baseball glove.

Last Sunday, Mrs. Martha Steffl returned to her home in

Here's current news of William Copher's family:

The four younger Cophers, Dean, Gene, Eddie and Jackie, are still living at home.

To save you counting, yes, there are 12 children!

Merchandise gift certificates in the Buck-A-Roo drawings at the Sandy Big Chief last Monday were won by: Ruby Walls \$5., Mrs. Alice Lane \$4., Mrs. B. H. Rowley \$3., Mary Clinefelder \$2. and Bonnie Taylor \$1.

Gib Oldenkamp, Robert Bauer and Abraham Lincoln all celebrated birthdays on Feb. 12. Madeline Knapp marked the occasion by making a cake in the shape of a log cabin, covering it with chocolate frosting, and using yellow toothpicks to make the doors and window frames - it even had a small square chimney on top.

An interesting word from former Sandvites - Cal and Gloria Nelson live in California. Cal Nelson is doing tutoring work at U.S.C. in a "program to teach doctoral candidates who are interested in the visually-handicapped." He was the special education teacher at Sandy Grade School when they lived in Sandy some years ago, in the house now occupied by the Tom Cutsforths.

And, in the line of tutoring, a note of recognition to Hal Dyal now at O.C.E. studying to be a high school math and science teacher. Under a government grant, Hal is a part-time tutor for a World War II veteran who has returned to college to get his education. Psychology is one of the courses Hal has been instructing.

Harold and Jessie Gunderson mentioned that the Kon Tiki Room of the Sheraton Hotel recently was the scene of a dinner party announcing the engagement of their granddaughter, Carol Gunderson, to Larry Allen Suerbick, a Centennial High school graduate. Carol, a senior this year at Parkrose High School, is the daughter of Wally and Bernadine

Gunderson. Carol's other grandparents are Howard and Eunice Ellason, of Sandy.

Sandy High graduates, Don and Bebee (Winfrey) Dubarko, and their two children: Steve 5 and Renee 2, live in Beaverton. Don is a draftsman for Tektronix, and Bebee is a registered nurse working part-time in a convalescent / rehabilitation center.

The Passing Scene: Wally Gunderson supervising at McKinnon Enterprises, Bruce Rowland leaving last Monday for a "99 - days for \$99" bus trip around the U.S., including a visit to New Orleans at Mardi Gras time. Shirley Roth celebrating a birthday on Valentines Day.

The only sidewalk cleared of snow late Friday night was outside the Pastime. Flags up for Lincoln's Birthday Saturday. Construction going on in the former liquor store premises next to the Rexall Drug Store. The Governor's own pipe band drawing a crowd to the 3 Boys Market. Many Sandy youngsters taking rides aboard the XP117 Rocket. Mrs. Ethel McCabe taking another fall recently at her nephew's home. Dale's wife, Eleanor "Robin", and his 2-year old son, Stuart, moved to Germany last September - their present home is 2 miles from the Berlin Wall. Eleanor's mother, Mrs. Jack-

son, was a first grade teacher at Sandy for many years. Dale's parents are Mr. and Mrs. Emroy Chase of Sandy.

Al Morner, Keith Schneider and Ab McLean celebrated birthdays yesterday.

Anna Mae Lindsey was responsible for the table decorations at the Dance Class Valentine Party last Friday night at the grade school. The main decoration was a big heart made by bending a coat-hanger into a heart shape, covering it with ruffles of red net, and adding artificial gardenias. Thought this might be a suggestion
