## Lenten Services at Immanuel Lutheran

Beginning with Ash Wednesday, Feb. 23, Immanuel Lutheran church of Sandy will conduct weekly Lenten services at 7:30 each Wednesday evening. The general theme of the series will be, "The Suffering Savior Speaks." These evening services are especially convenient for those whose work keeps them from attending Sunday morning services. The public is cordially invited.

Members of the Young People's group, numbering about 30, from the Alms Community church were guests of the Walther league, the young people's group of Immanuel Lutheran church at Sandy last Sunday. Following the business meeting, a talk on the history and background of the Lutheran church was presented. The get-acquainted evening included games and lunch.
