\$49⁹⁹

DEAN WESSELINK, Service Department manager at Glos Ford, says he's got a real Spring tune-up planned for you car owners, after a long, hard winter. Here's what Dean and the crew will do: analyze the engine on the Sun 'Scope; clean and/or replace sparkplugs; clean and/or replace points and adjust; test coil, condenser, distributor cap, and wiring; adjust timing, test compression, and adjust carburetor. All this for

HI . . . I'm Joe Nelson, at Glos Ford. I'm anxious to get acquainted with you, so I had a talk with Hilt and Marsh, but here's what I'm going to do anyhow! . . . How about this as an introduction:

BRONCO \$2695
This 1966 Ford BRONCO regularly sells for \$2988. If you'll see me personally, I'll let you have it for the special price of just \$2695. It's just the vehicle for the outdoor sportsman, and great for those fishing trips you have planned this summer. Be sure you ask for Joe Nelson on this special Bronco deal.

1960 Wagon

Studelark

Six cylinders, a good, clean station wagon, very economical. You can have it for just
\$595

1961 Two Door

Chrysler

All power. V8. Auto. 1 owner. Lots of good miles left in this one.
\$995

HELLO . . . I'm Gene Shore, Parts Manager at Glos Ford. There's really not much I can do on parts, but here's a safety device for your car that should interest you.

FLASHER UNITS FOUR-WAY Reg. \$7.95,

With this flasher attachment, when you stop on the road and turn your turn indicator on, both front and rear blinkers flash on and off, warning other drivers that you have stopped. Ask for me in the parts department at Glos Ford.

\$4.95
