ESTACADA BORING SANDY
HERE'S one of the best deals that's come in for a long time - 20 acres ground on blacktop, substantial amount flat, could be cleared for farming. However it's pretty well covered with timber. All-year creek, spring, and drilled well. Located close to Oregon City and a good Portland commuter, well built barn. The home is a 3 bdrm. and needs a little refinishing. This is an outstanding buy at \$12,500, \$1,500 down.
