

Michael Merrick Sulzbach lustily announces his arrival - Mother doing fine-Father elated. This was the cablegram received last Thursday evening by "Grandfather" Pete Sulzbach. His new grandson, born April 13, weighed 7 1/2 lbs. on arrival in an English maternity hospital. In England, the midwife plays the major role, although the doctor is in attendance. Helen Sulzbach plans to remain with the parents, Tom and Ann Sulzbach and small Kim, for a "couple more weeks at least" before starting to tour the Continent and eventually arriving in Greece. Although she has been busy as "chief cook and bottle washer" for her son and daughter-in-law, she did manage to find time to go to Scotland to see the famed moors and pick heather.

vicemen always appreciate letters from home, and Everett is no exception: A 2c Everett Proctor, AF 19782626, 25th F.M.S., Box 964, A.P.O. New York, 09247.

Paul Buckel, Hazel Murray and Mamie Edwards all celebrated birthdays April 15. Here's word of two more people that would welcome a card or letter at this time: Virgil Proctor's mother, Mrs. Lola Proctor (a former resident of Sandy) is not well - She is staying with Mrs. Bill (Geneva) Andrew, 19706 N.E. Multnomah, Troutdale. Mrs. Cleo Shoup, of Brightwood, was taken to Gresham Hospital last Monday morning following a heart attack, and a card or note sent to her at the hospital would brighten up her stay there.

Current news of Al and Betty Katt's family: William and Peggy (Katt) Vedder with their 8 month old daughter, Melissa, live in Portland. Jerry Katt is a sophomore at Portland State taking P.E. and recreation courses; he spends his summers working for the Forestry Service (this summer he will be at Big Camas in the Umpqua National Forest). Tom Katt is a 9th grader in Whitford Junior High at Beaverton.

An S.O.S. is being sent out by Sandy's Scoutmaster, Gary Sandblast - surely there is someone who can do a "good deed" for the very person that is teaching their sons the "good deed policy"? There are 24 local members of Gary's Boy Scout Troop who are looking forward to attending a camp held at Spirit Lake, Wash. from August 7 to 13, and Gary has been informed that he cannot take a vacation at that time. Four men (over 21 years of age) are needed. Gary has given much of his time to guide our local Scout Troop - is there not someone now able to give a little of their time in August to help Gary's troop attend Camp? Let his S.O.S. not go unheeded - call Gary at MU-7-3239.

Rita Oldenkamp received word Monday evening that her brother Tom Gamble, had an emergency appendectomy that day in Fort Wayne, Ind. A card addressed to him at 3905 Reed St. Fort Wayne, Ind. would let him know he's not forgotten.

"What a great weekend!" Gretchen Chilton exclaimed, "Margaret Truman, Grace Kelly, and I all got married the same weekend!" Guy and Gretchen Chilton were married on Friday, April 20, 1966. . . the day of Margaret Truman's wedding - Grace Kelly was married on Saturday evening! Our best wishes to the Chiltons on their 10th wedding anniversary!

Easter visitors at the home of the Phillip Bernards were their son, Phillip Bernard Jr. and his friend, Lee Spengler, from U.C.L.A.; and their son, Edward, now attending Ore. State. Edward Bernard is the recipient of a \$4625, research assistantship, and a National Science Foundation Grant of \$2700, to continue graduate studies in Physics at Cal. Tech, either of which he may choose, to work on his doctorate. Edward graduates from O.S.U. in June.

Next year's Varsity Rally members were selected last Friday at Sandy High. They are: David Knoll, Melissa Anderson, Carol Meier, Mardell Belcher, Claudia Dove, Gaylen Hendricks, and Dena O'Sha. J.V. Rally Squad will consist of: Lenna Swails, DeeAnn Rader, Peggy Naggae, Cheryl Bell and Glenda Goger.

Heard that the High School Talent Show is this Friday evening - next week some interesting news from Bea Harris and Letta Schmitz's trip to Hawaii. Be sure you wish Ellen Steffi, Augusta Bruns, Lucy Todd and Harold Gunderson a Happy Birthday tomorrow!

Another week and much more news - who knows, sometime, some page - when you least expect it - SURPRISE! . . . your name will appear in print - You'll be "Making the Sandy Scene"!

Mrs. Fred Decker reminded me that the last Sunday of April (next Sunday) is the date for the annual indoor reunion picnic at the Grange Hall at Kelso for former pupils and teachers. The reunions started in 1954 when Mildred Decker's graduating class of 1919 met with their teacher, Mrs. Louise Nelson. Mrs. Nelson, now living at Otis, will celebrate her 94th birthday in May. Reunions are always interesting - if this applies to you, make sure you attend Sunday.

More recent winners in Sandy - this time at the new Happy House, Louise Blankinship won the transistor radio, the major prize given. One of these "I never win anything" people, Martha Williams was surprised when her ticket was drawn for a planter, Hazel Murray had two tickets drawn - she won a model car and a bunny rabbit. There are 5 more tickets as yet unclaimed - check your tickets with the winning tickets in the store window - you still could be one of the "Happy House" winners. While on this subject, have Carroll Rader tell you the history behind the German-made soap featured there. Each bar takes 7 months to make and the finished product is a highly scented blend of oils and soap, carrying over to the users clothes, sheets, etc. In addition to the feminine aromas of violets and roses, Carroll showed me some masculine scented bars too - Russian leather, tobacco and yes, honestly. . . hay! A most interesting product from Cologne, Germany!

Seen in Passing: George A. and Ruth Berg joining with George W. and "Babe" Burg last Sunday evening for "progressive rummy" cardgames. . . Jack Strope home for spring vacation. . . Several Sandylites seen at Bowman's Golf

**Grade School News**

PTA Mrs. Sutherland's second grade sang a Flag Song and then led in the salute to the flag. This was followed by their singing "America." Miss Tomlinson, who is our new guidance counselor under an ESEA grant, talked to the PTA members concerning the aims and activities of the guidance program. Next year Miss Tomlinson will devote full time to her guidance duties.

SPRING P. E. PROGRAM The annual program given by the boys and girls physical education classes, grades 4-8, will be given in the gym on Friday, April 22, at 7:30. The instructors, Mrs. Lawson and George Stavros, extend to all parents and interested friends a cordial invitation to see this hour and a half program culminating their year's activities.

MISCELLANEOUS NEWS Achievement tests were given Tuesday and Wednesday. Colored group pictures and individual make-up pictures are being taken today. It is hoped the weather will permit the girls to play their softball game here today with Rockwood at 3:30. Tomorrow (Friday) is the
