Speaking of appreciation - Mrs. Ray Sheldon proudly mentioned that the Sandy Junior Girl Scout Troop #783's "Flag Fund" reached its goal. The bake sale and car wash held Saturday brought the fund to the necessary \$40. Three Braille American flags have been ordered for the Oral Hull Foundation for the Blind. Mrs. Sheldon wished to thank each one who helped the girls with their project.

Tom and Erma Boothby celebrated their 21st wedding anniversary last Friday, May 6th.

Will begin this week with a traffic safety tip seen in the window of a car parked on a Sandy Street recently: "Drive carefully -- the wife you save may be your own!"

Barbara Whitlock, Lesley Schmitz and Bruce Lewis all had birthdays last Saturday. John Barnett had his cake on Mother's Day this year.

Why is it that when the Sunset Theater features an "All-Horror" program that the titles alone create a picture of terror? This week's billing reads: "Mad Executioners - The Skull - The Woman in the Cage!" Anyone want to be scared?

Was pleased to hear from Ken Burdick that there was a good turnout at the western dance last Sat. night sponsored by our Fire Department. A big Thank You from all the Firemen to those attending - the Ambulance Fund is approx. \$50, larger.

Seen in town last weekend - two former teachers here - Mrs. Helen Kieger from Clatskanie who had driven up in time for the Grade School Concert, and the Lyle Jarvis family from Bend.

Any girl, who will be 15 by November and has not yet reached the age of 18, interested in forming a senior Girl Scout Troop in Sandy, please contact Mrs. Helen Swails, Mutual 7-4765.

And while on the subject of Scouts, Gary Sandblast, Boy Scout leader, needs assistance. Will any man (over 21) volunteer to accompany the Troop to summer camp this year? The boys are looking forward to the camping experience, and Gary is unable to go with them. Camp will be held at Spirit Lake, Wash. from Aug. 7 to 13. "Since 24 local boys plan to attend," he said, "there should be 4 men accompanying them". Here's YOUR chance to do a good deed!

May 10th was the birthday of Steve Salisbury, Bonnie Lewis and "Slim" Carpenter.

Kay, a 1956 SUHS graduate, sells real estate, her husband is employed at Bonneville. Small Todd is the celebrity of their family--on his arrival he was really welcomed - he was the first New Year's baby in the Gresham Hospital that year.

Ivan and Jeanne (Closner) King, both SUHS graduates, live in Portland. Ivan, a graduate of Portland State, is teaching 7th grade at Clint Kelly Grade School. Jeanne requires one more year at Portland State to become an elementary teacher.

Bill Closner is attending Portland State, plans to go into the building business with his father.

Their parents, Albert and May Closner live at Rhododendron, where they operate the Sno-bird Drive-In.

For those wondering what could have been put in such a small box, I learned late from Jim that it was a tie contained a tie tack in a small jeweler's box.

Received word from O.C.E. about the retreat the Interform Council took to Nelscott recently. The Council consists of representatives from each dorm, officers from the dorm, and some school officers.
