3 Boys'-Piggly Wiggly

After all, nobody is perfect ... so

Sometimes we goof!

Anytime you can't find the advertised item on sale in our store, just ask for your "RAIN CHECK"

Sometimes we underestimate the sales of an advertised item and run out, sometimes one of our suppliers has problems and can't deliver on schedule ... whatever the reason, you are disappointed when you can't buy the item listed in our advertisement. When that happens (and we're all working hard to prevent it), just ask the checker or manager for a "RAIN CHECK" ... it permits you to purchase the item at the same low price on your next visit to the store.
