"Making the Sandy Scene"

Kathleen O'Brien

MU 7-4063

A person is said to be very superstitious if they believe that Friday the 13th is unlucky, but the Sandy Lumber Co. staff is beginning to question whether that is such a far-fetched statement. . .You see, the 13th fell on a Friday in May, and here is what actually happened:

The morning started when Gordon Franklin bumped his head on the forklift, and caused an ugly gash to appear on his ear.

Bud Fischer was driving a Sandy Lumber truck to Portland, and only got to Gresham when it happened. . .A driverless car rolled out of a service station, hit the front fender of the Lumber truck, went over a man-hole where a man was working, knocking down the protective barriers, tipping over the tool box, and even knocking over the acetylene tanks (which luckily, didn't explode). Bud called Sandy Lumber around noon to tell them what had happened.

Shortly after noon, when Ken Burdick returned from lunch, he parked another Sandy Lumber truck on Bruns Street where he was loading boxes on it. He heard a funny grinding noise, and looked up to see a driver-less automobile rolling down the road in his direction. The car had previously been parked by Carl Loundree's paint Shop. Hoping to avert an accident, he ran to the rolling car, hoping to get in and stop it. The door was locked! So, he helplessly watched it roll back into the Sandy Lumber truck smashing the front fender.

It COULD be coincidence... yes, it could be...after all, it was only 2 Sandy Lumber trucks hit in the same front fender, by the driver-less cars, in 2 different locations, within the time of a few short hours....Yes, it COULD be coincidence, but the men at Sandy Lumber have become suspiciously superstitious!!

Several Sandyites attended the Christian Business Women's Club Annual Banquet held last Saturday night at the Anchorage. Guests included: Lewis and Arleigh Hall, Howard and Sara Berger, Helen Tharp, Ned and Shirley Dyal, Bill and Diane Dyal, Harold and Jessie Gunderson, and Wally and Bernadine Gunderson of Gresham. The Harold Gundersons daughter, Sharon Meier, is President of the group.

Visiting at Don and Dolly Wyatt's home is Dolly's mother, Mrs. Anna Spickerman, of the Dalles.

Bob and Ruth Buckel celebrated their 19th wedding anniversary last Tuesday.

Robert Sutherland, son of Clyde and Ethel Sutherland, recently received his doctorate in biological science at Texas A & M, a State college. Next fall he will head the Biological Department at Wayne State in Nebraska. Sandy Grade School teacher, Dorothy Proett, is a graduate from Wayne State.

A note of recognition to our summer school teachers who are "back in school" this week at Sandy Grade school: Florence Schmitz, Dorothy Proett, Marjorie Spahr. Fred Proett is teaching the summer band.

Weekend birthdays: Elizabeth Spenser and Vickie Colson last Saturday, Bobby Anderson on Sunday.

A welcome to Wayne Bosin, now in charge of internal operations at the Clackamas County Bank. He came to Sandy from the Citizens Bank of Oregon in Lake Oswego.

Today is Howard and Sara Berger's 20th wedding anniversary - our congratulations!

New grandparents in the Sandy area are Alvin and Wanda Eri. "We have a new grandson," Wanda Eri proudly announced last Monday. Donald Dwayne Richardson, weighing 8 lbs. 5 oz. made his appearance at the Gresham General Hospital last Friday, June 10, at 6 a.m. He is the first child of Ben and Janis Richardson, of Estacada. Their new son is the first grandchild for Mr. and Mrs. Alvin Eri, of Sandy, and also for Mr. and Mrs. Frank Richardson of Estacada.

Best Bumper sticker of the decade; "I'm helping fight poverty. I work for a living."

Have you checked your tickets at Thriftway? Seems the only people thinking it worthwhile are the $25. winners. Last week's $25 winner was Blanche Roberts; this week, Carol Massey claimed the $25. To date no winners for the smaller cash prizes have made their appearance. But then, it's ONLY money!.....

And while on the subject of drawings, do you recall the lucky numbers on the recent Western Auto catalogs? This is a nation-wide contest with many large prizes offered. If you feel "my ticket just couldn't be lucky"...listen to this: One Sandy person has already discovered he won a gallon of paint, and Harry Seiler tells me that earlier this week a Sandy resident brought in a lucky number which was just ONE number off the number listed for luxury premium tires! It's a national contest, but 1900 numbers were sent to this area.....you COULD be a winner.....

Mrs. Verona Schneider has a visitor at her home. Her only sister, Mrs. George Johnston, from St. Clair, Michigan arrived in Sandy on June 4th. Later this summer, the two sisters plan to fly down to Mrs. Schneider's daughter's home in Redwood City, Cal. Last Sunday, the Keith Schneiders took them to see the many lakes in the Mt. Hood area, and Mrs. Verona Schneider mentioned how much her sister enjoyed this drive and seeing the wild rhododendrons blooming along the highway. It's the perfect time for sight-seeing in the mountain area, and more people should take advantage of the colorful scenery at this time of year.

"I haven't had my sister in my home for 24 years,", Mrs. Lena Searls said, "and we are having such a good time together". She is speaking of her sister, Blanche Drullinger, from Norton, Kansas, who is visiting our area for the first time, and "just loves it". Since her arrival on June 1st, they have taken in many of the Rose Festival events, including the parade and the visiting ships. Mrs. Drullinger has seven nieces and nephews in the Sandy area: Gene Searls, Leonard Searls, Eldon Searls, Frank Searls, Beth Griffin, and Jay Searls.

As has become annual tradition, Clyde and Ethel Sutherland gave a luncheon for 43 of the grade school teachers on the last day of school, June 3rd.

Julie Schneider, Dorothy Townsend, and Art Colson all had birthdays last Monday, June 13.

Current news received from Mrs. Fred Mouser: Her son, Bob Sellers (a 1963 SUHS graduate) graduated last Friday from O.T.I. at Klamath Falls as a medical technician. Bob and Marilyn (Strope) Sellers and their year-old daughter Anjanette, are planning a move to Long Beach, where Bob will spend a year interning in a hospital there. David and Cec (Sellers) Doeleman live in Portland. Cec, a 1959 SUHS graduate, works for an attorney in Portland; David runs the Student Union Building at Multnomah College.

Sign seen at the Sandy Opportunity Center: "Help pay my property taxes. Smoke cigarettes after July 1st"!

Shirley and Becky Flath sent a postcard reading: "Hi!Folks! Having a wonderful trip!!We are now at Missoula, Montana, going to Staples, Minn. We arrived at Missoula at 5:08 a.m. Sunday, June 5. We are staying at my mother's cousins who is a minister at the Lutheran Church in Missoula. We went to church Sunday. Later on in the afternoon, we went to Lola Warm Springs -- it is like Kah-nee-tah. After we returned we went to Shakey's Pizza Parlour and got stuffed on pizza." The postcard was written by Becky.

Martha Williams' had a birthday June 13th. Following dinner at her daugher, Diane's, on Sunday, she returned home for a real surprise--a birthday phone call from her brother, Frank Munroe, in Nebraska. Vera Fisher baked a cake for her Monday. When asked by one of the more curious people on Monday: "I suppose you are 39?", Martha replied, "No, I'm now 40. I was 39 last year!"

It was a french license plate on the car recently parked outside the Carey home on Pleasant Avenue. Gray and Mary Randall, with their son, Gray Randall Jr., had come from Africa on vacation. Mr. Randall is with the State Department, and had been sent to Paris for schooling. Following their vacation, they will return to the Ivory Coast in Africa where he is stationed. Three years have passed since Alice Carey visited with her sister, Mary. The Randalls spent two days in Sandy.

There is a special visitor at the home of Edison and Dorothy Mills - their young granddaughter, Sherry Ann Swagert, from Winnemucca, Nevada.

"Take the old man out for Father's Day", Ken Burdick reminds, "and bring him to the Father's Day Dance on Saturday sponsored by the Sandy Fire Department". All proceeds go toward the ambulance fund, which could mean a life saved. Come, and support your local Fire Department!

Visitors last weekend at the Earl Drew home were: Beverly and Bob Kindley, and their 9 month old daughter, Lisa, from Bend. Bob, a math teacher at Bend High School, recently received a grant for further studies at Bellingham, Wash., so the Kindleys will be living there this summer. Also home for the weekend was Nancy Drew now attending Portland State and living in Portland.

A tip of the hat to Warren Harding, who took the time and effort to see the right authorities regarding the poor location of the stop signs on Highway 212 as it crosses the new Freeway. Fearing for the safety of motorists who were unfamiliar with the area, and wishing to avert possible highway tragedies at this point, he pursued the poor placement of the stop sign to the Sergeant of the State Police in Milwaukie, who promptly reviewed the situation and made arrangements for the signs to be moved and more warning signs added. President Kennedy once said that "one man can make a difference". . .in this case, the one man was Warren Harding, who very possibly saved some lives.

"When the Jolly O'Briens left Sandy with their 'B.C. or Bust - Goodbye Oregonians, God Bless You van, and an invitation to all to 'Come up and see them', we wonder if they ever thought their invitation would be taken literally." This remark was made by the Wesley Kents, who returned last week from a vacation trip to British Columbia. They said the most enjoyable part of their trip was "an overnight visit with the O'Briens. Their comfortable little log cabin, enhanced by Danny's fine cabinet work, the smell of wood burning, Evelyn's delicious hot tea and home-made bread, and Jolly's interesting accounts of all their blessings, all added to the much appreciated hospitality. Oh yes," Alice Kent continued, "and speaking of the Fly-In Breakfast, the birds fly in and light on Jolly's hand to receive a piece of bread or cheese each morning. We understand quite a few from Sandy have "taken literally' the O'Briens' invitation, and still others have B. C. in view for a vacation trip."

Adding to Mrs. Kent's comments, I understand a group from Sandy are on their way up at this time, another group has scheduled an early July visit - their names will be given AFTER they return -- don't want any literate burglar to schedule his visits to these Sandy homes accordingly!

One man terms a vacation as "vacating the houses and corrals where you have gathered all your anxieties, foolish problems and fears. You leave them nothing to feed on and they will starve to death while you are gone."

A vacation is different for different people - to Matie Leitheiser, John and Agnes Johnson, and Leo Johnson, it was 3 days recently in the Virginia City area of Nevada. It was seeing the the Old West - boardwalks, old buildings, Boot Hill, and the atmosphere of the Bucket of Blood Saloon. "It was my first trip there", Matie Leitheiser remarked. "All along the road we saw signs for Harold's Club in Reno, and when we got to Reno, it was the first place we saw. What a place it was - all the people working machines, pulling levers, - many old people too. Pretty soon I was doing the very same thing just like the rest of them!" She mentioned her surprise at all "the one-armed bandits" - "You can even gamble while you eat"! They also spent some time at Lake Tahoe before returning home. "Next time I would like to go back and spend a week in Virginia City - there is so much to see."

Heard, not confirmed, that Deane and Dixie Wesselink were also in the Lake Tahoe area. Happy Birthday to Lue Roberts, Carol Paluck, June Christie, Kent Reick, Brian Lamke, Lars Lundeen, John Christensen Sr. and Pat Barnett.

There were 5 generations represented at the Sandra Miller-Dennis Herriford wedding June 5th: (1) Dennis Herriford's great-grandmother Josephine Stanley, of Edgefield Manor in Troutdale; (2) her daughter, Susan Kaser, of Gresham; (3) her son, Landon Kaser, of Gresham; (4) his son, Rudy Kaser; of Gresham; and his 3 children (5); Kathy, Cindy and David Kaser, also of Gresham. Dennis Herriford and Rudy Kaser are cousins.

Seen in Passing: Claude Dove walking up Pleasant Avenue to view his wrecked car, following release from the hospital.. Louis Phelps and Greg Newman sharing June 10 birthdays. . . Olin Bignall reminding that the Fly-In Breakfast is less than a month away. . .work parties of Kiwanis Club held at Dick Steffl's shop to put the stoves in good operating order. .The Scholarship Committee of Kiwanis presenting Chris Hartman with the Key Club scholarship, and Corinne Nishikawa with the candidate-at-large scholarship. . . .Gary Major spending 2 weeks in an Army Reserve Camp at Yakima, Wash. . .Patty Fussell receiving assistance from an uncle when the candleholders were too high for her at her brother's wedding...2 weddings over the weekend: Sandra Jr. at the Presbyterian Church; Janet Sorick and Robert Fussell at the Sandy Baptist Chapel. .

Wonder if there is anyone willing to help in the following situations in Sandy: Gary Sandblast still needs someone to chaperone his Boy Scouts at Camp this summer. .Florence Schmitz needs someone who is willing to stay with her husband when she is teaching school or has to go out for evening meetings. His health is such that someone should be with him at all times. . .Here's that opportunity to help where it is needed most. . .

The Rainbow Girls have a bake-sale this Saturday at the Rexall Drug, don't forget! The Bowling League still are interested in white elephant items -- have you cleaned your attic?

And. . .most important!. . DON'T forget Father this Sunday! It's HIS day - help him enjoy it!

Baptist Chapel to Hear Missionary

The Rev. F. Richard Duran, who has lived in Japan for 10 years, will tell of his experiences there and his plans to return when he speaks at Sandy Baptist Chapel on June 19 at 11:00 a.m. and 6:30 p.m.

Duran is a newly appointed missionary under the Conservative Baptist Foreign Mission Society, Wheaton, Illinois. Slogans have their place. But no slogan can really express the value of worship for a Christian family.

That those who pray together generally stay together is simply a statistical fact derived from someone's study of divorce and delinquency records.

What is important to the millions of American families who will attend church next Sunday is the spiritual foundation upon which they have chosen to build life. They are finding a way to meet and overcome the obstacles that so often frustrate the self-sufficient. They are seeking truth that endures.

Religion is not a gimmick that automatically insures happy marriage, well-behaved children or social well-being. But the family that prays together ultimately learns from God Himself the meaning of love, understanding and sacrifice. And these affect our homes . . . and our world.

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
