

Latest addition to the Chevrolet line, the sporty CAMARO drew more than its share of admiring attention from visitors at Richardson's Chevrolet showrooms last Thursday when new models were on view for first time in Sandy. (Post Photo)

# Hood-Land Happenings

By the SNOOPER

Count Snoop down - temporarily - but not out! This gal is far too stubborn to be forced out of this fascinating world before she's good and ready - and take it from me - I'm NOT ready! (When I celebrated my 35 birthday in July I decided then that another thirty-five years would suit me just fine. And I haven't changed my mind!)

Since I am a devotee of the "we - love - to - busy - all - the - time" school, I consider the past couple of months the louisiest (is that a word?) I've ever (just barely) lived through.

I was home from the hospital for one week, after a rugged bout with encephalitis, when I was tossed back in with a heart attack - of all things. This was a very low blow indeed and even worse when I discovered this blood clot in the heart bit (Coronary Thrombosis) is seldom encountered by the femalesex! Naturally, this fact alone was extremely agitating and I immediately made up my mind to obey all the rules and regulations set forth by my doctor. So what if I do have to spend weeks in bed, I thought, at least I won't have to die of something so utterly unfeminine!

Although I detest having my activities restricted, I've decided there is a bright side. If I had to be sick - I'm at least getting it all over and done with in one crack.

About the time I was ready to climb the walls with boredom my doctor gave me the O.K. to use my typewriter and this is one reason "Hood-Land Happenings" is back in the fold. The other reason was Eileen Anderson's promise to "fill in" for Yours Truly, which she will do next week.

In case the picture isn't entirely clear - Snoop will not be up and about the mountain before November. Therefore I will depend on you to contact me with items for the column. (My phone number is 662-4232, Eileen's is 622-4706.) We will both appreciate your help - just as we have appreciated the notes, letters and phone calls telling us you missed the column!

### SNOOPS SHORT SHOTS:

A Farewell Party for Bert Stauffer was held at the Barlow Trail Inn (so Bert's many Hood-Land pals had an opportunity to wish him the best of luck) before he departed Monday morning for Saigon. "Little Bert," (as he is affectionately called by his fellow Lions) answered the call for civilian construction workers in Viet Nam. He will be stationed at Vung Tau, 140 miles from Saigon. Call Lou Stauffer for Bert's exact address as nothing is nicer than mail from home when you're far away (What a dumb sentence that was. It really goes without saying that we all appreciate mail from far away friends!)

Another Viet Nam bound Hoodlander is Marsh Mansfield who called from Seattle to say he was on his way. An ex-merchant seaman, Marsh has spent the past two years on the University of Oregon's research vessel Yaquina all the time longing to "return to sea". He finally got his wish and he wish him well!

Velma and Grant DeShazer recently returned from a trip to Los Angeles to visit son Larry who teaches at U.C.L.A. Janet and Merle Hill drove up to Ft. Lewis to visit son Greg who is in the Army. Visiting their many friends on the mountain are Ken and Ella Porter of Glendale, Calif. Mr. and Mrs. Roy Hadfield of Victoria, B.C. are guests of Sally and Max Hurlbutt at Wemme. The Hurlbutts, incidentally, have recently become grandparents of a 35 year old granddaughter, Namely, Yours Truly! (Just ask them if you don't believe me.) You see, Max was ill last May and while Peggy and Gene Bowman, my true-love and I were visiting Old Town in Chicago we found one of those huge and humorous get well cards and sent it to Max. He saved the silly thing and much to my delight, Sally took it to the Hoodland's Women's Club meeting for the gals to sign. Knowing how pleased I would be, Sally and Max decided to deliver it in person the next day only to discover the "relatives only" edict. Hence, the Hurlbutts became my "grandparents" rather than leave the hospital with their mission unaccomplished! Seeing them and getting the card was mighty fine tonic for their "granddaughter." (Have two new "brothers" too, Dan Barker and Noel Splawn also found it necessary to "adopt" a new relative in order to say hello in person. Guess you know who my favorite (and only) brothers are!)

Condolences to Marty Amather on the loss of her father recently ... Congratulations to Ellen Steffl and Dr. Bob Schouten on their engagement. They will tie the knot November 5 to become "partners" instead of neighbors. ('Tis an accepted fact that females love to play cupid, so naturally Snoop is considering herself somewhat responsible for this romance. After all, they never would have met if the Carothers had not built "Ellen's Kiozet" and the "Mt. Hood Dental Bldg.," which really should be changed to the "Mt. Hood Dental and Optometry Bldg." to include Dr. Bob, who spends more time there than anyone else, Right!)

..... Birthday greetings to Lois Boget (who celebrated hers at the Zig Zag Inn. Where else?) and Lois Rice (whose hubby Paul got a buck the first day of hunting season).

Mrs. Pearl Barrett, who divides her time between Portland and Honolulu, is a guest of the Gene Colliers of Brightwood... Mary and Joe Kuch of Welches returned to Chill for another year but will return to their home at Hood-Land much to the delight of their many friends. (Not delighted that they'll be gone a year but will return to go a year - just delighted that they intend to return).... Phyllis Sparley will be leaving the mountain soon to join hubby John in San Diego.... Welcome to newcomers Cherrie and Sam Bell who have recently moved to Hood-Land. Sam is a student at Portland State college. (Not only newcomers but also newly-weds!)

COMING EVENTS  
Friday, October 14, Buffet dinner followed by Prize Night at the Barlow Trail Inn sponsored by the Hood-Land Chamber of Commerce.  
Thursday, October 20, Hood-Land Chamber of Commerce meeting, 8 p.m. Lions Hall at Wemme.  
Tuesday, October 18, Board meeting of the Hoodland Women's Club, Inc. 8 p.m. at Marge Carothers house. (The only way Snoop can attend the board meeting is to have it at her house!)

Friday, October 28, Buffet dinner and Prize Night sponsored by the Hoodland Women's Club, Inc. at the Log Lodge.  
NOTE TO MR. LAMBERT MILLER: Snoop salutes you as president of the Sunnyside Telephone Co., for achieving a mighty goal! (Details on page one)  
NOTE TO PEGGY AND GENE BOWMAN: A great big "thank you" for giving my geese, Same and Gertrude, a new home! NOTE TO PAPPY GAULKE: A big "thank you" to you, too - feeding and caring for same!  
NOTE TO KAY RANDELL: Thanks for the note saying you would "take them golfing with you." Sam and Gertie love the companionship of people!  
NOTE TO ALL GOLFERS: As you have surmised by now my pet geese Sam and Gertrude have a new home at Bowman's Mt. Hood Golf Club. (We ran out of grass for them to eat, etc.) They were very pleased with their new home on the fourth hole - especially when they discovered people in the area. They followed the first foursome they met - all the way to the clubhouse! Once they found this was the place to be here was nothing to do but pen them up. I understand this was accomplished on the first hole somewhere below the men's tee-off area. I would be grateful if you would stop a minute to chat with them - or even do as Kay planned to do - let them walk around the course with you.  
NOTE TO LAURA BUCK: Your swimming pool will be safe from the invasion of Molly-The-Horse! We plan to sell her as soon as we find a buyer.  
NOTE TO ALL READERS: Molly-The-Horse is for sale! She is a very nice horse. She likes to go swimming. In pools. She has been known to cross the Salmon River in order to swim in one. It is a chore to get a full grown mare out of a swimming pool. This doesn't bother Molly in the least. She merely jumps back in. The Buck family will attest to this. Say, I wonder if they could use a swimming horse at the golf course?

## Airman's Letters

(Continued from Page 3)

off now and then sometime soon. They are demonstrating in Saigon again and it is off limits. Still bombing around at night so there will be no V.C. near. It has been raining here like mad, I have never seen it rain so hard at one time.

There was a little dog that wandered in the barracks last night -- real cute. We fed it. We gave it some canned milk and water and boy! that dog slept all night without moving. Today it left and went to the next barracks. I guess it was seeing which one it wanted to live in!

MAY:  
Still working hard. No replacement in as yet for the fellows that have left. We have about four more leaving this month. The time really flies by when you are working steady.

JUNE:  
I still hear bombing in the distance. Downtown the Buddhist have been demonstrating and causing all kinds of trouble. Got a flu shot the 28th - caught the flu that night! Today is the first day I have worked since. Feel real good now. Nothing worse than having the Asian flu in Asia!

Went downtown about 4 times already this month and ate dinner. Had chinese food the last time. I do not care for it as much as what you get in the States. I guess this is the authentic thing though.

I know I shouldn't count days, but I have 198 to go over here then I will be home. They say if you count them it doesn't go as fast as if you don't!!!??

Yesterday was a celebration of the Vietnamese Government first year in power. Watched fireworks from base -- real pretty. Seems like the Government is getting pretty stable now. Now if the Buddhist would leave things alone.

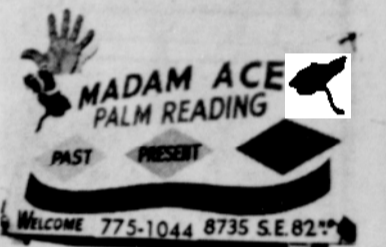

July-  
Everything here is still going fine. I'm still working hard as ever. Don't hear much from the V.C. except they are still bombing around the base and it really shakes everything up sometimes. They are still bombing at night. I am so used to it now

## Demo Women Name Officers Changes Noted In 4-H Program

Election of officers at the regular meeting of the East Multnomah County Democratic Women's Forum named Laura Bradley, president; Mary Kreuger, vice president and Margaret Jurhs, secretary-treasurer.

Candidates Ted Hallock, John Burns, Frank Roberts, Donald Clark, James Gleason, James Haggerty, Margaret Cawood and Michael Walsh, representing James Burns, addressed the group.

The 4-H program has been marked by change since its inception more than 60 years ago, says County Extension Agent, Duane Johnson, Greater variety of educational projects, more emphasis on the improvement of the boys and girls and a program with appeal for young people everywhere, are some of the changes the agent pointed out.

A more recent but no less important change, Johnson says, is the demand for 4-H in towns and cities across the country. Still an important educational force in rural America, more than 80 per cent of our members reside in urban areas.

To meet the changing needs of youth, 4-H has increased its educational projects and opportunities. Among the new offerings are: automotive care and safety, home management, personality development, conservation, horse, dog care and obedience and community beautification. These are being supplemented with intensified activities of career exploration, science, health, nutrition, recreation, public speaking and safety. For the young person with suitable facilities, the proven standard projects are highly recommended.

**NOW! THE QUICK-SIZE '67 CHEVELLES**

**NOW**, as many kinds as there are kinds of drivers to enjoy them—from the SS 396 (the Chevelle for the DRIVING MAN) to the brand new Concours Custom Wagon!

Long live Chevelle! And its trim dimensions, sharp performance and great maneuverability. For '67, there're a new grille, new wraparound taillights and distinctive sheet-metal changes. The effect is a newer, more contemporary look. As for specific models, one is completely new: the sumptuous Concours Custom Wagon shown below, featuring the rich look of wood outside. Then there's the SS 396 with a 396-cubic-inch Turbo-Jet V8, special suspension and an even more remarkable capacity for delighting the stout of heart. Other models, too: Malibu, 300 Deluxe and 300, all with Body by Fisher.

In addition, every '67 Chevelle carries a multitude of new safety features such as a GM-developed energy-absorbing steering column, four-way hazard warning flasher, dual master cylinder brake system with warning light. Try a Quick-Size Chevelle at your Chevrolet dealer's.

For '67, everything new that could happen . . . happened! Now, at your Chevrolet dealer's
