A THOUGHT FOR THE WEEK

By KEN BATEMAN

Marilyn Monroe unwittingly pointed out one of the principal problems of mankind when she quipped, "Fame may go by and — so long, I've had you." Some people hunger for fame and fortune. Then, when the hunger is satisfied, a different, more severe, gnawing hunger exists; a hunger for the meaning of life, a hunger for a purpose for living. It isn't only the drug addicts, the alcoholics, the criminals, the delinquents, who in misery seek an ultimate solution to man's needs. The political doctors are well aware of this when they prescribe cures; peculiar cure-alls for mankind's ailments.

The cure cannot be found in a higher standard of living as long as the ailments of fear, envy, despair, jealousy and selfishness remain uncured. Nor can the cure be found in the hollowing of a wishful thinking society that spends more than \$100,000,000 a year for advice and guidance from fortune tellers, astrologers, etc.

There is a cure however; easy to prescribe but hard to take. Part of this cure requires taking a stand between the will of God and the will of man. When we really mean and adhere to "Thy will be done" — the cure will come.

Adairlyn Burgess Bride of Gary Moon

Altar baskets of pink and white gladioli decorated the sanctuary of Bethany Lutheran church in Portland for the Nov. 12 wedding of Adairlyn JoAnn Burgess to Gary Duncan Moon, Rev. C. Scriber Kloth performed the evening ceremony that united the daughter of Mr. and Mrs. Leo Burgess of Brightwood and the son of Mr. and Mrs. Ernest W. Moon of Portland.

The bride, who was given in marriage by her father, wore a floor-length gown of Chantilly lace with a Sabrina neckline of seed pearls and bridal-point sleeves. Her chapel veil was held by a crown of seed pearls and she carried a cascade bouquet of lilies of the valley centered with a white, yellow-throated orchid.

Matron of Honor was the bridegroom's sister, Mrs. Robert Walker of Tillamook. Bridesmaids were sisters of the bride, Sherrill and Sandra Burgess; the bride's sister-in-law, Mrs. Robert Moon of Tolovana Park, and Linda Nagae of Sandy.

The bridal attendants all wore matching, floor-length, aqua gowns of lace and chiffon and carried cascade bouquets of pink carnations and rosebuds.

For her daughter's wedding, Mrs. Burgess wore an avocado lace dress with matching accessories and corsage of white gardenias, while the groom's mother chose a dress of cranberry lace and matching accessories. Her corsage also was of white gardenias.

Robert Moon was best man for his brother, Robert Walker, Dennis Chung and David Herron, all of Portland, and Tim Forbes of Beaverton served as ushers. The Lord's Prayer and the Wedding Prayer

were sung by Portland soloist Ramon Rierson.

A reception for 300 guests was given by the bride's parents at the church following the ceremony. Mrs. Andrew Forbes, Beaverton, assisted the hostess, while Mrs. Robert Gruis, La Grande, and Mrs. Dottie Shoup, Brightwood, poured.

The bride's aunt, Mrs. Clarence Gruis and Mrs. Dick Heron cut and served the cake. The guest book was passed by Mrs. Vera Mann, who also assisted Mrs. Frank Moe at the punch bowl.

The new Mrs. Moon is a 1965 graduate of Sandy high school. The bridegroom is a graduate of Portland State college and is employed at McCoy's Service Station at Cannon Beach.

After a wedding trip to California and Nevada and young couple is at home in Tolovana Park.

Scouts Give To Toy Drive

Sandy Junior Girl Scouts of Troop 378 have completed a task chosen as one of their community service projects for the year.

Under the guidance of Scout Leader Lois Hoffarth the girls created and stuffed a variety of handmade dolls and animals. Each was carefully and lovingly wrapped by its maker and the nearly two dozen packages were delivered to the Kiwanis Club for their Christmas Toy Drive.

We're sure the thoughtfulness of these young girls will be more than appreciated by the many little tots who will find one of the cuddly gifts in their stocking on Christmas morning.

Grad Program Draws Student From Boring

Ron Weisdorfer, son of Mr. and Mrs. C. F. Weisdorfer, Rt. 3, Box 904, Boring, and a graduate student at Linfield college, is among seven graduate students in the Linfield Education Internship Program this year.

Weisdorfer is interning in social studies and English at Renne junior high school in Newberg.

Under this program the student receives a full year's supervised training as an intern teacher in a public school at the same time that he is able to take graduate work in education at Linfield.

The State of Alabama gets its name from two Choctaw Indian words, meaning "thicket-clearers."

Nell's Notes

By NELL HOWE
Hood-Land Reporter

Joyce and Keith Bowman with Bob and Betty Burton off to Lake Tahoe for a week of vacationing. Bet they see a bit of snow while they are gone.

Jerry Steinbarger surprised us all by dashing off to Sparks, Nev., and becoming the new Mrs. Edwin Donham. Our congratulations to the newlyweds. No one could be happier than Joanne, with a new brother and sister, Caroline, 16, and Wes, 15. Eventually they plan to move somewhere between Estacada and Sandy. We, on the mountain will miss Jerry. She is a very special person.

I am most happy to announce that Cathy Durr is coming along fine, and has her shop open part of the time. So to return to our very best of appearances, give her a call, and I am sure she will be able to give you an appointment before too many days pass. Please Cathy, don't overdo, we don't want to have to lose you again.

The Hood-Land Chamber of Commerce will have another Prize Night, at Jimmys Alpine Hut, on Dec. 9, Friday. Dinner will be at 7 p.m., fun to start at 8:15. Always a good meal, and an enjoyable way to spend an evening.

On Tuesday, December 13, from 10 a.m. till 10 p.m., the State Highway Commission will have representatives at the Welches School, to answer your questions about the construction of the highway from Alder Creek, to Zig Zag. This will be of special interest to the people who live on the proposed right-of-way.

If you have any interest, and you should, in the goings on of the Planning Commission, in relation to the Zoning of the area, drop in to Dell Howard's Barber Shop, and sign the petition.

Don't misunderstand me, I am sure everyone is in favor of zoning, it is a necessity, but in my opinion the way it is being handled, is not. I am sorry to say that too many of our local carpenters and plumbers, and electricians, have had stop-work orders, on too many jobs lately. One local home builder, was putting in a new window for a customer, in a house probably over twenty years old, and was stopped because, the inspectors, informed him it was too close to the ceiling. When asked what he should do, they told him to burn down the house. I don't think that is exactly what his customer had in mind for him to do. Another man was putting a new porch on his house, and they stopped him. He informed them he would leave the porch just the way it was, till it rotted off. I'm with him. When you have to purchase \$38.00 worth of permits to do a plumbing job, it is going a bit too far. After all we aren't living in a city, such as Portland. Why we are zoned as we are I have been unable to find out, but I feel we should be returned to the rural zoning that we are entitled to, I will look into this further, but the answers I seem to get don't really tell me such. But I will keep trying. There must be one County Executive that doesn't speak out of both sides of his mouth. I wonder how many toes I have stepped on this time. I will be most happy to listen to more high-handed incidents, after all, I have to have ammunition for my gun also.

This coming Friday night--Prize Night at the Alpine Hut for the Chamber of Commerce!
