

Service Lines

Army Private First Class NORBERT G. STRUTTMAN, 20, son of Mr. and Mrs. Joe G. Struttman, Rt. 1, Sandy, Ore., was assigned to the 56th Transportation Company Aug. 20 at Tan Son Nhut Air Base, Vietnam.

Pvt. Struttman, a shop supply specialist, entered the Army in September 1966, completed his basic training at Ft. Lewis, Wash., and arrived overseas August 2.

Dinner Is Success

The St. Michael's Women's Club reported that their annual ham dinner was quite successful, being even better attended than last year.

The St. Michael's Parish expressed their appreciation to the public for making the dinner such a success.

Birth

Daughter, Debra Lynn to Mr. and Mrs. Arley Fay Overton, Rt. 1, Box 712, Boring, Sept. 8.

PAULA ANN HILLYARD

Engagement Announced

Mr. and Mrs. John G. Hillyard, Sandy, have announced the engagement of their daughter Paula Ann, to Larry V. Pendergrass, son of Mr. and Mrs. Larry V. Pendergrass, Gresham. Miss Hillyard, a 1964 graduate of Sandy high, attended Oregon College of Education and Oregon State University and is presently employed at Copeland Lumber Co. Her fiance, a 1964 graduate of Gresham high, is attending Oregon State University, where he is president of the Sigma Nu fraternity. No date has been set for the wedding.

Council Holds Services In Sandy Church

The Women's Missionary Council met for services at the Sandy Assembly of God Church, last Tuesday, Sept. 12.

Two services were held with Mrs. Annie Walton, of Portland, as the speaker. Mrs. Walton, is the State President of the Women's Missionary Council of the Assemblies of God. Two skits were used in the afternoon service, with the ladies from the local church taking part.

A potlunch luncheon was served and a cake was presented to Mrs. Walton, who with her husband is planning a trip around the world to see the missionaries from the Oregon District. The Sandy church also presented Mrs. Walton with a gift in appreciation for her 21 years of service as state president. Churches from the North Willamette section attended these services.

MARILYN MADISON (Worthy Advisor)

Rainbow to Install Officers

An open installation for the friends of Rainbow will be held September 24 at 4 p.m., at the Masonic Hall for the Mt. View Assembly of the Order of the Rainbow, number 46.

Elected officers to be installed are Marilyn Madison, Worthy Advisor; Lenna Swails, Worthy Assoc. Advisor; DeAnn Rader, Charity; Linda Keyser, Hope; and Laurel Swails, Faith.

Installing officers will be Mrs. Mickey Lawson, installing worthy advisor; Kay Kirby, installing marshal; Mrs. Alex Barker, installing chaplain; Mrs. John Quinn, installing recorder, and Mrs. Wilmer Newmann, installing musician.

The Crowning ceremony will be performed by the Orenomah Demolay and soloist will be Tom Lewis. Entertainment will be provided by the Merleen Stites Studio of Dance. A reception will be held after the installation.

Dramatic! Distinctive! Daringly new!

'68s Top Secrets are here

1968 Chevrolets

The 1968 Chevrolets are the very essence of modern design. Every line, every curve is in close harmony. It's a smooth, uncluttered look with roof lines compatible with body lines, grilles and bumpers that blend gracefully into long, rounded fenders. Clean, flowing, beautiful in their simplicity, these '68 Chevrolets are rich and advanced in styling beyond any you've ever seen.

A MORE SILENT RIDE
And for 1968, we've gone to every length to give you more peace and quiet inside. The most sophisticated computers have been used to strategically place body mounts and successfully isolate noise and vibration. Shock absorbers have been improved. The wheel stance on many models is wider for greater smoothness. Exhaust systems have been redesigned to make them whisper-quiet. Even the clocks tick more softly. A sound car is a silent car. The '68 Chevrolets are the most silent, highest quality cars we've ever built.

BETTER PERFORMANCE
There are new engines, a bigger standard Six and V8. There's a new

250-hp V8 you can order that runs on regular fuel. Many new engine components increase dependability and keep your new Chevrolet running stronger. There's a new rear axle ratio you can add for greater economy. On most engines equipped with automatic transmissions, there's a special heater for the carburetor which gives you more efficient performance in cold weather. And with every engine, you get the new GM exhaust emission control.

UNIQUE ASTRO VENTILATION
There's a whole new idea in ventilation, called Astro Ventilation, for Camaro, Corvette and the elegant Caprice Coupe. It's also available on many other models. By opening two new vent-ports on the instrument panel, you bring in outside air that can be directed where you want it. This way, you can leave your windows rolled up and add still more to your peace and quiet.

PROVED SAFETY FEATURES
You get the proved GM-developed energy absorbing steering column, folding front seat back latches, dual

master cylinder brake system with warning light, plus many more new features. Among them: energy absorbing front seat backs, and safety armrests that shield the door handles.

MUCH MORE THAT'S NEW
There are new roof lines, some formal and graceful, others sporty and quick. There are new instrument panels, richly designed and all controls within easy reach. There are new interiors, new vinyls, new fabrics, new colors. There are models with Hide-A-Way windshield wipers and headlights that disappear behind grilles. There are new side marker lamps, new recessed taillights. There's even a new ignition alarm buzzer that reminds you not to walk away and leave your keys in the car.

These are the newest, the most different, the most dramatically changed Chevrolets ever. And they're at your Chevrolet dealer's now. You'll thoroughly enjoy slipping behind the wheel, experiencing the smooth new handling and library-quiet ride and, more than anything, seeing and feeling the even greater quality built into every new Chevrolet for 1968.

MARTHA JOY HANSON

Announce Engagement

The engagement of Miss Martha Joy Hanson, daughter of Mr. and Mrs. Elmer R. Hanson, Wemme, to Mr. Halmand B. Dyal, son of Mr. and Mrs. Bill H. Dyal of Sandy was announced by her parents.

Miss Hanson graduated from Sandy High School in 1966, and attended Warner-Pacific College and Portland State College where she is currently majoring in music education. Dyal is a senior at Oregon College of Education and will be graduated as a teacher next June. He is a Sandy High alumnus of 1964.

At O.C.E., he is active in sports and campus religious groups, and as a counselor.

Martie has been active as a soprano soloist. She is a student of Marie Rahndahl Peake at Portland State College.

THE ENGAGEMENT OF Elaine Caroline Nilsen to PFC. Robert James Telford has been revealed Sept. 2 by Mr. and Mrs. Conrad M. Nilsen of Boring. The pair plan to marry when the bridegroom completes his army service. He is now stationed in Viet-Nam and his parents are Mr. and Mrs. Thomas D. Telford of Boring. Elaine is a 1967 graduate of Sandy high school where her husband-to-be also studied.
