## Nell's Notes

By NELL HOWE  
Hood-Land Reporter

So many tragedies this past week that it kind of makes it most difficult to think of much of a column.

Our deepest sympathy to the family of Jim Lipscomb. Young Jim was drowned in a tragic accident this past week.

Our deepest sympathy to Mrs. Hilda Moffit and family for the loss of her daughter LaVerne. LaVerne was killed in an automobile accident last week.

Our deepest sympathy to Hazel Zogg and family, who lost her husband, Ted Zogg this past week. Hazel and Ted were regular members of the community some years ago, then moved east of the mountain for quite a spell. They had returned to this side of the mountain, and we had hoped they would stay.

We understood that George Hellig, of Welches had suffered a heart attack, and was hospitalized last week. We hope he is well on the way to recovery, and able to come home by the time you read this.

Fred Krull was back on the mountain for a short visit, and he hopes to be returning very soon, permanently. We certainly miss him and are looking forward to seeing him more often.

For Father's day we went water skiing with our daughter and son-in-law and family, and our son and his bride. The weather was magnificent, the water was mighty cold, and pretty rough. We went out to Rooster Rock, and it was fine until about two in the afternoon, and then it became so crowded that we gave up and came home.

Spent the rest of the afternoon in Jan and Garm's back yard. They have such a beautiful yard, it was a pleasure. While water skiing, found out the advantage of skiing in cold water. It cures you of taking any chances of falling off. As rough as it was and all, I didn't think I would make it a couple of times, but when I thought of that cold water I fought it out and made it. We decided that in another 5 years or so, you wouldn't even be able to see the water for the boats and people. Next time will go a bit farther afield. Anyhow, it was a great day.

Friday night we took in Arsenic and Old Lace, the play staged by the Mountain Players, and spent a most enjoyable evening. The cast did a great job, and should be commended for their work. Juanita Hagen and Gen Mortimer did a great job as the two aunts. They are going to grow into two real cute old gals in years to come. They were great so was the entire cast! It would take too long to commend them all separately, so will take my hat off to them one and all. A great job well done.

Understand they now have the call out for teen-agers and some parents for their next try-outs. If interested give Milt Fox a call and he can give you all the information.

The withdrawal election was voted 92, No, to 78, Yes, De-
