

Peanuts were first brought to the U. S. from Africa in colonial times and from this evolved the name "goober," African for groundnuts.

HOSPITAL HAPPENINGS

at WOODLAND PARK HOSPITAL in Gateway 10300 N.E. Hancock St.

The Maternity Department is the happiest department of the hospital.

The joy of new life is a contagious feeling. The faces of the mothers, new fathers, the nurses and visiting well wishers all reflect the joy associated with the arrival of the infants — some boys, some girls, all precious.

The story of the maternity service is in a sense the story of the progress of hospital care. Twenty-five years ago, if the baby was fortunate enough to be born in a hospital, the mother and baby would expect to stay two weeks. Today stays of three and four days are typical. Many things and many people have participated in this great change: new concepts of medicine, better nursing care, life saving and life extending equipment, trends toward mother self help, etc.

Hospitals are being built closer to the suburban neighborhoods in which we live. This, for example, is a welcome convenience to all the "participants" in the drama of birth. The hospital is closer for the mother when she goes into labor — the need for speed and haste to the downtown hospital is no longer necessary. Chances are that the hospital is closer for the doctors, too. Visitors (not too many!) have only a short drive to the hospital. Father appreciates the nearness particularly if he has older children at home to watch. Parking problems, of course, do not exist.

Yes, the Maternity Department is a happy place. The convenience and reassurance of the always-open general hospital leads to justified confidence. Modern, well appointed rooms with informal, non-institutional decor makes the hospitalization period following birth a restful one.

The staff of Woodland Park Hospital would like to invite expectant mothers (fathers too) to visit the hospital well before the confinement date. Then when the baby's arrival is imminent you will know the proper route, the correct doors to enter, and in general feel reassured about the hospital environment.

Batsch - Nichols Vows Exchanged

MR. AND MRS. ROBERT STEPHEN BATSCHE (Nancy Mae Nichols)

After returning from their wedding trip to the Oregon Coast, newlyweds Mr. and Mrs. Robert Stephen Batsch are making their home in Portland. Mrs. Batsch, the former Nancy Mae Nichols, is the daughter of Mr. and Mrs. Ernest Nichols of Sandy. Her bridegroom is the son of Mr. and Mrs. John S. Batsch, Portland.

Their wedding, an event of Saturday, June 22, was performed by Dr. Lawrence P. Byers in Westminster Presbyterian Church, Portland at 8 p.m.

The bride, who was given in marriage by her father, wore a long, ivory linen, A-line gown, trimmed with Venice lace and showers of tiny flowers at hem and neck. Her removable train matched the dress and her veil was crowned with a double tiara of sequins and pearls. Her flowers were a cascade bouquet of golden-eyed white daisies.

Julie Nichols, sister of the bride, was maid of honor. She wore a high-waisted dress of

bright pink, crushed crepe. She carried a cascade of pink daisies and her veil was trimmed with daisies and pearl clusters.

Bridesmaids were the Misses Janice Koch, San Francisco; Joli Gordein, Altadena; Paula Hillyard, Sandy; and Cathi Fisher, Sandy. Their dresses of lime green were identical to that of the maid of honor. Their flowers were cascades of green and pink daisies.

Junior bridesmaids were twin sisters Christy and Carole McDonald, San Francisco. Flower girl was Lee Ann Dearthoff, Portland. They were also dressed in lime-green and carried baskets of green and pink daisies. Chris Bailey of Portland was ring bearer.

John L. Batsch, Portland, served as best man for his brother, while ushers were Robert Koch, San Francisco; Craig Lockwood, Michael Rothery and Michael Muessig all of Portland.

Marcus and Mitchell Gordein, twin cousins of the bride, were candlelighters. Soloist was Bill Elliot.

At the reception for 250 guests in the church's Great Hall, Mrs. Minnie Reed, grandmother of the bride, poured. Great-aunt of the bride, Mrs. Emma Ramon, the bride's great-aunt, cut the wedding cake and was assisted by Mrs. Marlene Koch, Punch was served by Mrs. Marsha Batsch, who was assisted by Mrs. Mildred Lenz, Mrs. June Hamilton, and Mrs. Aileen Gordein.

Lorraine Townsend and Diane Morgan took care of the guest book. Kelly Gordein and Walter Koch passed the rice bags.

Mrs. Batsch is a 1966 graduate of Sandy Union High School. Her husband attended Marshall High School in Portland where he graduated in 1965. They are both employed at Lipman's Eastport.

Making the Sandy Scene

Kathleen O'Brien

The 1958 class of Sandy High had its 10 year reunion recently at Bowman's Golf Course, Netla Urban Darley, of Titusville, Florida, received a Goodrich tire ash tray for coming the farthest distance; Ron Rasmussen was given a wig and comb for sporting the balddest head; Elvis Noack Schweitzer, as newest married (18 months), was given a bottle of geritol; and Donna Boyle received ear plugs as recognition for the longest married (12 years). Door prizes were also provided by Sandy and Gresham merchants. Special prizes were given to married classmates: Bob and Lee Ann (Ellis) Rhode received an all-day sucker and Willie and Evelyn (McDonald) Proctor were given a ball and chain.

Things change in 10 years, here's current news of the class members: Judy (Arnold) Bathurst lives in Fridley, Minnesota. . . Dezzo and Kathleen (Bennett) Sipos have two sons, Dezzo, Jr. and Micah, and live in Beaverton. Dezzo Sipos, a watchmaker and jeweler from Hungary has a jewelry store in Beaverton. . . Dennis and Donna Bogle, with their three children, live in southeast Portland. He is a self-employed weatherstripper and uses the new flooring called Marathon Seamless. . . Bob and Glenda (formerly Locking, a '59 SUHS graduate) Boring live in Gresham. Bob is a plantman for Standard Oil. The Boring's have two sons, Darrell 7 and Mike 3.

Glenda (Wheeler) Bredall lives in Portland. . . Deloris (Brooks) Haukel now resides at Lake Grove. . . William and Charlene (formerly Morrison) Brown live in Casper, Wyoming. . . Lyle and Peggy Brune and their 2 children, Pamela 6 and Mark 2, live in San Jose, California. Lyle attended Portland State following high school and is now an electronic engineer in San Jose. . . Mike Calkins resides at Brighwood.

News of Maureen (Byrd) Liles in her own words: "I attended Pacific University in the fall of 1958 and graduated with a Bachelor of Science Degree in 1961. Having met Jack while attending Pacific, we were married in August 1961 and moved to Estacada to teach at Estacada High School. While my husband taught and coached, I taught English and Biology one year and Health and Physical Education two years. In 1964 Jack became principal and I retired to have our first son, born in August. In March, 1966, we were surprised with twin boys. As my husband became superintendent this year, we are in Eugene for school this summer. Our summers are always busy with school, camping, fishing and travelling in the Northwest."

A sad note was added with the news of Elinor (Gray) Gratreks (now deceased). The class paper had this mention: "Elinor was a kind person. She was sincere in her study of the Bible and had a deep empathy towards those who were handicapped or troubled. She was a diabetic throughout her high school years and never complained of restrictions imposed upon her. She passed away Jan. 12, 1965 of Nephrosis (kidney failure) after four months' confinement. She was married to Robert Gratreks (another Sandy student) in November of 1960. They had no living children. Many of us have often thought of Elinor these past ten years and are sorry to hear of her untimely death. She put a lot into her short life and gave much joy to others."

Elizabeth A. Grover, a homemaker and church worker, lives in Portland. She was unable to

attend the 10 year reunion as her mother and she were in Minnesota attending her Mother's 50 year class reunion. . . Harold and Erlene (Hellman) Beltz and their three children, Cynthia 8, Harold 6 and Brian 3, live in Hillsboro, where Harold is a teacher.

Melvin R. and Rhoda (Hanson) Castor live in Milwaukee with their 2 children; Kelvin 7 and Rhonda 6. The Castors live in Rhonda 6. The Castors have travelled across the U.S. twice and through Mexico and Canada. They recently purchased a camper. . . Melvin is a truck driver. . . Velda Howell is a key punch operator for an accounting firm in Portland; she is engaged to Al West of Medford.

Desire Cella (Hubbard) Snodgrass is a registered nurse and now living in Grand Forks, North Dakota. Mike and Cella's latest daughter, Holly Jennifer arrived last May 7th to join Genelle 4 and Erin 2. Mike Snodgrass is a graduate student in Anatomy and will receive his Ph. D. in June of 1969.

Clarence (Clem) and Patsy (Dalglish) Bergevin and their two sons, Dennis 6 and Jeff 4, live in Eagle Creek. They spent one summer working at a Forest Service Guard Station where they hiked in 1 1/2 miles to their cabin and enjoy camping and fishing with their sons. Clem, now with his Masters degree, teaches in the Science Dept. of Estacada High. . . Melvin Denbo is now at Barstow, California. . . Dixie (Denton) Fitzgerald lives at Silverton.

Next week I will give you more news on the other members of 1958 SUHS graduating class. . . 10 years can certainly completely scatter a graduating class!

While on the subject of reunions - 1953 SUHS graduates don't forget your 15 year reunion is this weekend - Saturday night at Bowman's (Social Hour 6:30 - Banquet at 7:30) and Sunday at Blue Lake Park Area 6.

And last week brought back other Sandy High memories for me when I encountered one of my favorite Sandy High alumni and fellow class member, Charles Sidebottom (SUHS 1957), here to spend a three week vacation "at home". With

Chuck is his wife, Eleanor and their three children, now residents of Pennsylvania; where Chuck is a disc jockey. In talking with Willie Proctor tonight, I learned that for at least two years while he was in the Service, Willie carried around a "Charles Sidebottom Fan Club Member" card, but somewhere it got mislaid or lost! Anyway, it's nice to see Charlie and his family back out in "God's Country" again!

The Whitlock family had a big reunion at Blue Lake Park last Sunday - more on this reunion next week.

Jay and Clara (Prater) McLain have made Sandy their home, since their marriage on May 24th. Jay works in Portland.

Texas Tyler, now a assembly of God minister, spoke at the Sandy Church last Monday night.

Visiting at the J. N. McLain home in Dover is their grandson, Alan McLain, of Burns.

The Arnold Zimmermans recently traveled to Royalton, Minnesota to attend Arnold's parents' 50th wedding anniversary June 16th. All the brothers and sisters attended and made it their first reunion in years.

"Never give up! For 50 years, they said the horse was through. Now look at him -- a status symbol!"
