Pioneers battle Canby in Homecoming game

The Sandy Pioneers take a 4-1 record into their homecoming game with Canby which is 4-2 for the season. The game Friday night comes on the heels of a 6-6 deadlock last week with arch-rival Estacada in a game played at Estacada.

The Canby game will not only be homecoming but also will mark the last home game for the Pioneers during the 1971 season. They end the season with road games at Molalla and Newberg in the next two weeks. First year head coach Forrest Allen looks for the Canby team to throw a strong running game and tough

Dad's Club gives beef

The Sandy High Dad's Club will give-away a beef during halftime of Friday night's game with Canby.

Dance: Rudy Huserik, Don Chaney, Wally Wunchie, Gene Boitano, Ken Burdick and Howard Berger.

Visiting team: Jim Martin. Chain Gang: Jerry Swails, Herb Sandercock and Dwayne Vedder.

Workers for the frosh game on Oct. 28 are Don Chaney, Carl Bell, and Ken Haselwander.

defense at the Pioneers. Allen hopes that Sandy's record of winning homecoming games during recent years will hold true against Canby. "If we are to win this game the players must put out a strong effort throughout the whole game," said Allen.

He said the team must stop making the little mistakes which have cost them scores and has let their opponents score.

In the Estacada game, the Pioneers had to come back to tie the score on a 72 yard pass play from Dan Turin to Ralph Peterson. The extra point try by Peterson went wide to the right ending Sandy's hope of victory.

The Pioneers also missed a scoring opportunity earlier in the game when Peterson fumbled on the one foot line when he was hit by the left side of the Estacada defensive line.

Estacada scored their lone touchdown in the final period following two 15 yard penalties against the Pioneers. Before the penalties the Estacada drive was being stalled by the Pioneers defense.

Coach Allen said he felt that both teams were very even, and the statistics show that.

Estacada got 92 yards by passing and 116 yards rushing with 10 first downs, while the Pioneers had 100 yards rushing and 108 yards passing also with 10 first downs.

Both teams also had two passes intercepted and Sandy lost the one fumble at the goal line.

Getting the interceptions for Sandy were Ken Blount and Peterson.

In passing Baughman hit on 2 of 12 tosses for 28 yards with one interception while Dan Turin hit on 2 of 5 for 80 yards with one touchdown and one interception.

Peterson was the leading rusher and pass receiver for the Sandy team after coming off the injury list for the game. He caught three passes for 95 yards and the TD and he rushed for 86 yards on 18 carries.

Mike Mantambo, also coming off the injury list, picked up 13

yards on four carries and Allen Gunderman got 24 yards on seven carries of the ball.

Turin punted four times for a 33.1 yard average which was lower than his league leading average of 37.2 before the game.

Coach Allen stated that he felt the offense did not play the game up to its potential and he was upset over Estacada's ability to run the end sweeps against the defense.

Allen pointed to the line play of Don Williams on both offense and defense. He stated that the senior lineman had his best game of the year. For his effort he was awarded the player of the week honors.

Peterson was honored as the offensive back of the game and awarded a dinner from Glos Ford.

Mike Wecker earned defensive back of the week honors and a dinner from Glos

Ford while Jerry Stratton again played his steady defensive game and earned defensive lineman honors for his play.

Another star on the defense was Lyle Schoppert who consistently penetrated the Estacada defense and earned tackler of the week honors.

Coach Allen said he felt that both teams displayed tremendous sportsmanship both on and off the field even though there was a lot of outside pressure before the game.

In league statistics released before the Estacada game, the Pioneers were ranked fourth in team offense averaging 226 total yards per game, on 98 passing and 128 by rushing.

The team defense was ranked sixth giving up 202 yards by rushing and 102 yards passing for a total of 304 yards per game.

Cross country spikers battle at district

Sandy High School cross country runners are participating in the district track meet today at Blue Lake Park. The Sandy runners enter the meet after finishing the season with a third place finish in a meet at St. Helens and a fifth place finish in a meet at Barlow last week.

The Sandy runners enter the meet after finishing the season with a third place finish in a meet at St. Helens and a fifth place finish in a meet at Barlow last week.

Sandy Coach Ed Hug feels the Sandy team will hold its own at district, but said depth is the main problem the team has faced all year. Also he said his team has been hurt by injuries which have prevented his runners from being in peak form for each meet.

In the St. Helens meet the Pioneers finished behind the host and LaSalle. Top Sandy runners were Doug Blaisdell in 9th place; Greg Grokett, 10th; Mike Whisner; 11th, John Dixon; 13th and Doug Buhler,

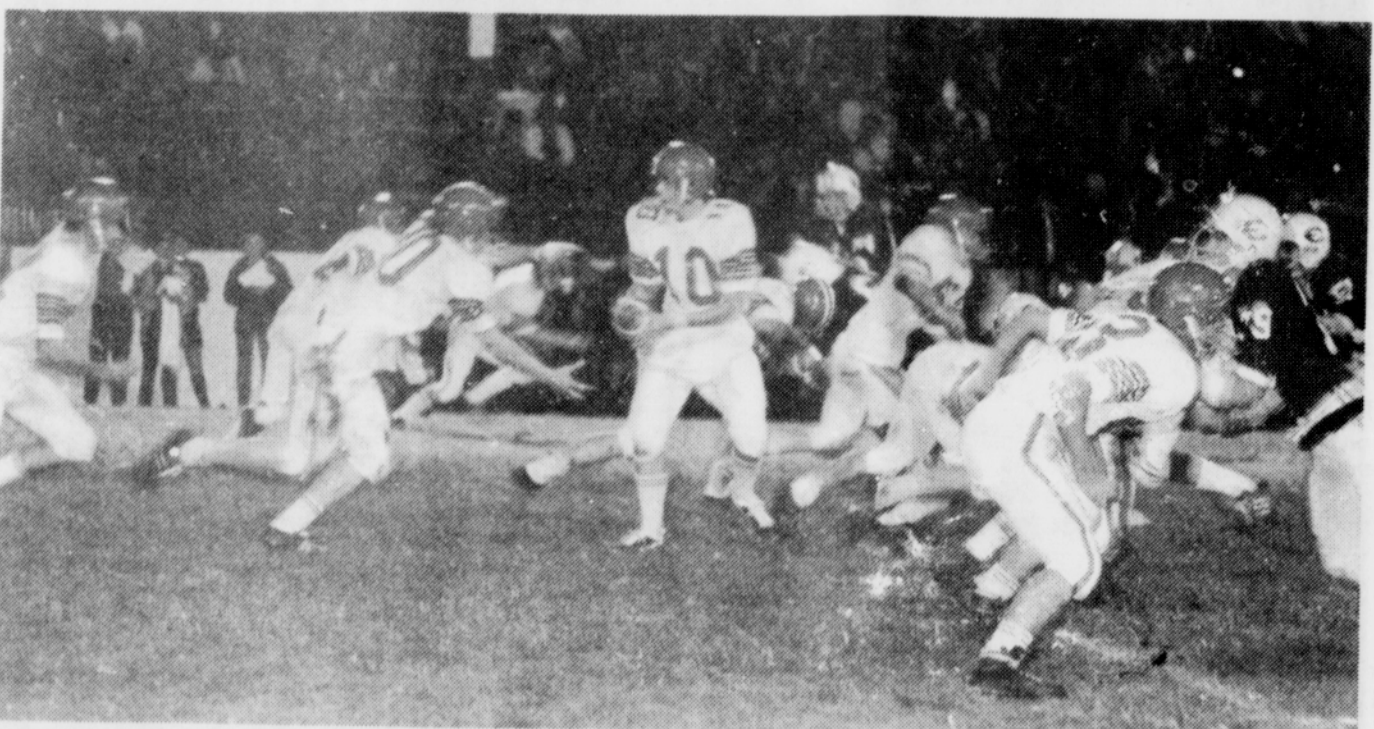

13th. There were a total of 19 runners in this meet with team scores being St. Helens 20, LaSalle 50 and Sandy 58.

In a meet at Barlow top Sandy finisher was Grokett in 17th place in the six team meet. Other top Pioneer runners were Blaisdell 19th, Dixon, 28; Whisner, 32; and Buhler, 36.

The meet was won by Centennial.

Swim team risks record in match

Both the Sandy High School boys and girls swim teams go into the dual meet with Gresham today here with undefeated records. The boys beat Tillamook last week 57 to 34 while the girls dropped St. Mary's 56 to 38 and the girls from Tillamook 66 to 29.

Swim coach Jim Anstine said that the meet with Gresham will be a good indicator on how ready his team is for the district meet to be held here at Sandy on Nov. 4 and 5.

Anstine stated that dual meet records mean nothing when it comes to district and a chance to qualify for the state meet in Eugene on Nov. 12 and 13.

According to Anstine, this is the strongest swim team that Sandy has ever had and they proved it in the recent meet by the girls taking five firsts against St. Mary's and nine firsts against Tillamook out of the 11 events.

The boys got seven firsts against the Tillamook boys out of their 11 events.

Results of the meet were:
