**Ski bus system possible
answer to traffic problems**

As in past years the traffic problem on Highway 26 during the skiing season is terrible in the Sandy-Hoodland area. Especially each weekend.
The traffic problem is not only caused by the large amount of automobiles but also by the road conditions in the ski areas.
Last weekend heavy snowfall in the Mt. Hood area caused a huge traffic jam delaying many skiers from returning home for hours, according to the Oregon State Police.
In an effort to help the traffic problems in the area, Timberline ski area operator Dick Kohnstamm is in the process of making use of a shuttle bus system.
The shuttle buses will operate between Timberline Lodge ski area and the Hoodland Park Plaza Shopping Center in Wemme. The shuttle system is scheduled to start this Saturday, Jan. 15.
Kohnstamm said that the ski area will be furnishing an 80 per cent subsidy to Gray Line busses to operate the shuttle bus system from the shopping center 18 miles down the mountain.
Arrangements have been made to use a shopping center's parking lot for skiers'

cars. The round trip bus fare is \$1.50, with \$1 of this credited against a lift ticket purchase at the lodge. Acceptance of the system will mean more skiing miles, less cars to be dug out of drifting snow at the end of the day and less-harrowing driving in the snow country.
"It's a pioneer effort," said Kohnstamm. "It's cheaper to subsidize the busses than to build another parking lot up here. And this solution is certainly better for the environment. Busses start running this weekend (Jan. 15), leaving the Welches shopping center at 7:15 a.m. and 7:45 a.m. Another bus originates at the nearby Bowman's Golf Club at 8 a.m., stopping at the shopping center. Return trips leave the lodge at 5 p.m.
The Sandy Area Chamber of Commerce has also expressed interest in sponsoring a ski bus from the Sandy area to also help solve some of the traffic problems.
The Chamber indicated recently that if enough persons indicated they would make use of such a shuttle bus from the Sandy area the Chamber would sponsor it.

changes place**

There will be one change in the polling places for the cigarette tax election on Jan. 18.

Polls will be open from 8 a.m. to 8 p.m. on Tuesday for the election throughout the state.

Goodwill truck stops

Your contributions of repairable items create work and job training for the handicapped at Goodwill. Your shopping the Goodwill stores provides for the wages and operational costs and supports the rehabilitation program.
