## Barlow offers craft class

Looking for something productive to do? As a part of the Sam Barlow

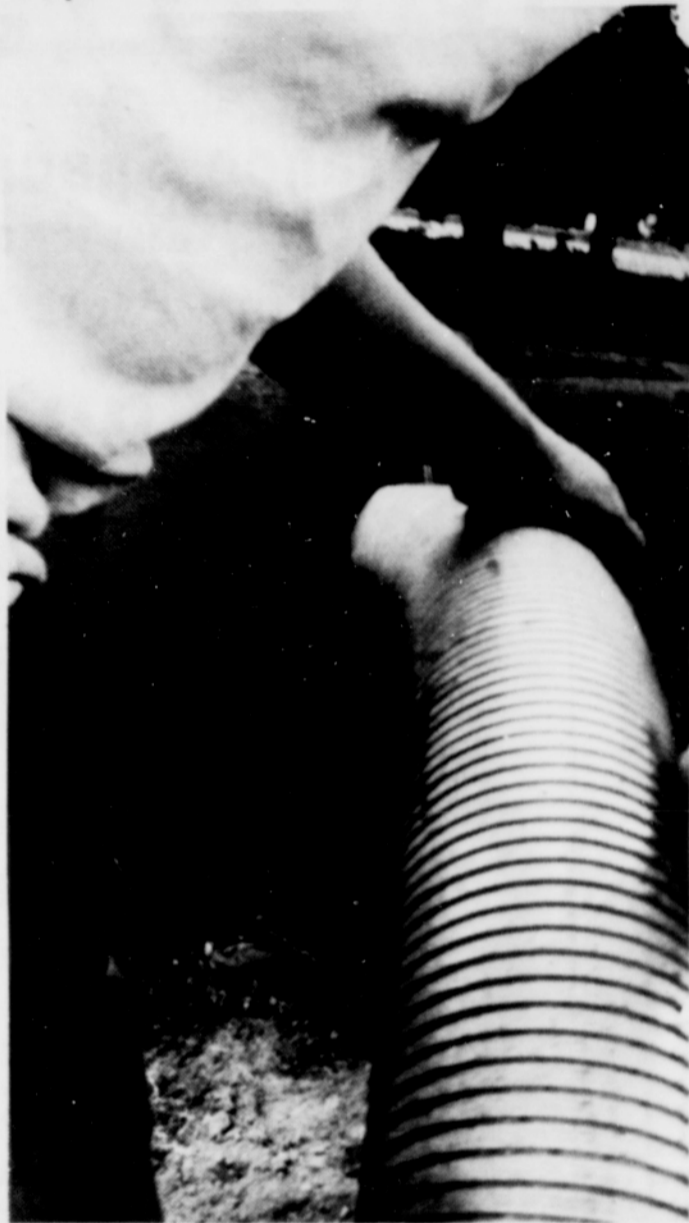

High School summer recreation program two crafts class sessions will be offered

July 31 through Aug. 4.

The morning session is from 9 a.m. to 12 noon; the afternoon session is from 1-4 p.m. There is no fee for taking the course; however, students will be required to buy their own supplies for their individual projects.

The course is open to all residents of the Gresham Union High School District who are interested.

Students will be able to choose and specialize in such crafts as macrame, stitchery, batik, weaving and ceramics. Pre-registration can be accomplished by calling the Barlow High School office, 663-4112 during the hours 8 a.m. to 4:30 p.m. prior to July 29.

PIPE BELCHES black fog as workman spreads barkdust over part of ground in new city park on S.E. Ninth. Ground not mulched will go into lawn after area is tilled and leveled. Some ground work has been done at Buene Vista and Highlands parks, with lawn to go in after discing, says Jack Gall, foreman for All City Landscape Co., contractor for the project.

(Outlook photo)

## Carrier job open

Applications are being accepted at the Boring Post Office for a substitute rural carrier.

Substitute carriers starting salary range from \$25 to \$37 per day depending on the length and character of the route. There also is an equipment allowance.

Applications must be made at the Boring Post Office before Aug. 15. Wilbur Shutes is the postmaster.
