## Legal secretary training available

Mt. Hood Community College wants to train legal assistants.

Exploratory courses were offered last year and a number of classes will again be offered during 1972-73.

Two classes for legal assistants will be offered fall term:

LA 12, Domestic Relations, meets from 7 p.m. to 10 p.m. Monday; LA 13, Law Office Management, meets from 7 p.m. to 10 p.m., Thursday.

Night classes at Mt. Hood begin Monday, Sept. 25. Students may register through Sept. 22 in the admissions office at the college. Students may also register for evening classes at the first class session if space permits.

Tuition is \$7 per credit hour for in-district residents and \$10 per credit hour for out-of-district residents.

If the exploratory classes for legal assistants have good enrollment, Mt. Hood officials would like to see the program start on a certificate or degree-granting basis in the fall of 1973.

All classes will be approved by the Oregon Bar Association prior to their inclusion in the curriculum.

In addition to the legal assistant's courses, Mt. Hood Community College offers a two-year program for legal secretaries leading to an associate of science degree.

The program combines secretarial courses with general education classes. The goal is to provide students with the skills, knowledge and attitudes required for a beginning secretarial position in a law office.

Principles of jurisprudence, phraseology and the necessary technical vocabulary are provided to establish the environment the student will encounter in a legal office.

The legal secretaries program is currently being evaluated in connection with the legal assistant's program now on the drawing boards.

Mt. Hood would like to develop a flexible law curriculum whereby students could complete the requirements for a legal secretary and move immediately into the legal assistant's curriculum.

Call 666-1561 for more information on law courses being offered at Mt. Hood Community College.

ADULT ENRICHMENT offerings in the creative arts division draw many community residents to Mt. Hood during the evening. Some 430 classes will be offered in 10 locations as part of MHCC's After 5 program.
