665-9151

BETWEEN POWELL AND BURNSIDE

Dick Garner, service man, special apparatus, is shown here installing the Outlook Publishing Co. phones.

CONGRATULATIONS

11,000 subscribers and growing.

GTE

Dealing with the expanding information needs of its readers is the responsibility of the Outlook as it operates from its new facility.

Dealing with the growing communications needs of those readers in the home . . . business . . . school . . . or factory is the responsibility of General Telephone Company of the Northwest.

We at General Telephone Plan to work with organizations and business like the Outlook to insure that the Gresham area continues to grow with confidence.

THE PEOPLE YOU CAN TALK TO
