**SUPER RICH XF
LAWN FOOD**

It's hot weather safe!

Nutrients in Lilly's Super Rich XF are slow release for safe, long term feeding without burning. Feeding continues up to five times longer than cheap fertilizers for robust health, deep greening and less frequent mowing. You water less, too, because Super Rich XF contains Penaturf*, an exclusive wetting agent that aids nutrients and water to penetrate deep to feeding roots; prevents surface run-off.
