BOLENS[®] MULCHER/BAGGER
 Ecological alternative to yard waste disposal.

Mulch a whole lawn full of leaves into a couple of bags of waste. Turn tree prunings, vines, lawn and garden clippings into reusable mulch. Condenses bulk by 90%. You wheel it to where the work is. Heavy duty 6 hp and compact 3 1/2 hp models disassemble into three units for quick clean-up. Bolens Division, FMC Corporation.
